Jump Start has wowed them all with his tremendous phenotype and flawless pedigree. Sired by Can Do and out of Riverstone Charmed, he was the Champion Limousin Bull in OKC; while his full sister followed in Charm's footsteps as Supreme Heifer in Louisville. If you want cattle with added style and balance, as well as predictable phenotype and eye appeal, get ready for a Jump Start.

COLE Jackpot was the leadoff lot for the 2022 Coleman sale. This burly, thickmade son of Envision adds one of the most productive cows in the breed— COLE Miss Xrated 354A, the dam of Cadillac, Genesis and Home Run. We love his balanced EPDs and know he will sire cattle with body, thickness and bone. If you want to update your program, he's no gamble, he is the JACKPOT!

Wulfs Jut was one of the crowd favorites in Wulf's sale this year. This great 75% Lim-Flex son of the maternal leader Fiat has the growth, performance and look to put your program on the map. The leadoff bull for Wulf's 2022 Pen of Three, he is out of a full sister to Ozark and Eastern. If you want predictable performance with outstanding balance and thickness, Jut will stick out for you.
