

A SIGN... OF WHAT IS YET TO COME

We have gone to great lengths to improve our cattle operation the past few years. Acquiring breed leading genetics from the industry's elite breeders for both performance and carcass traits has been our focus. Our main goal has remained constant throughout the years— supply our customers with cattle to help them add to their bottom line while better serving the beef cattle industry.

Come see the results of the progress we are making.

MISTY MORNING LIMOUSIN

PUREBRED & LIM-FLEX

"Better Genetics for Bigger Gains"

Your call or visit is always welcome.
