

Proof of Progress

ANNUAL PRODUCTION SALE
SALE CANCELLED
Saturday, OCTOBER 30, 2022

Due to several substantial private treaty transactions, we have decided to cancel our annual Fall sale. We would like to thank Lenape Limousin of Telford, Pennsylvania, for their major purchase of several quality females from our program. We are confident this set will prove to be a solid investment for their program as they continue to grow and improve their herd in the Northeast.

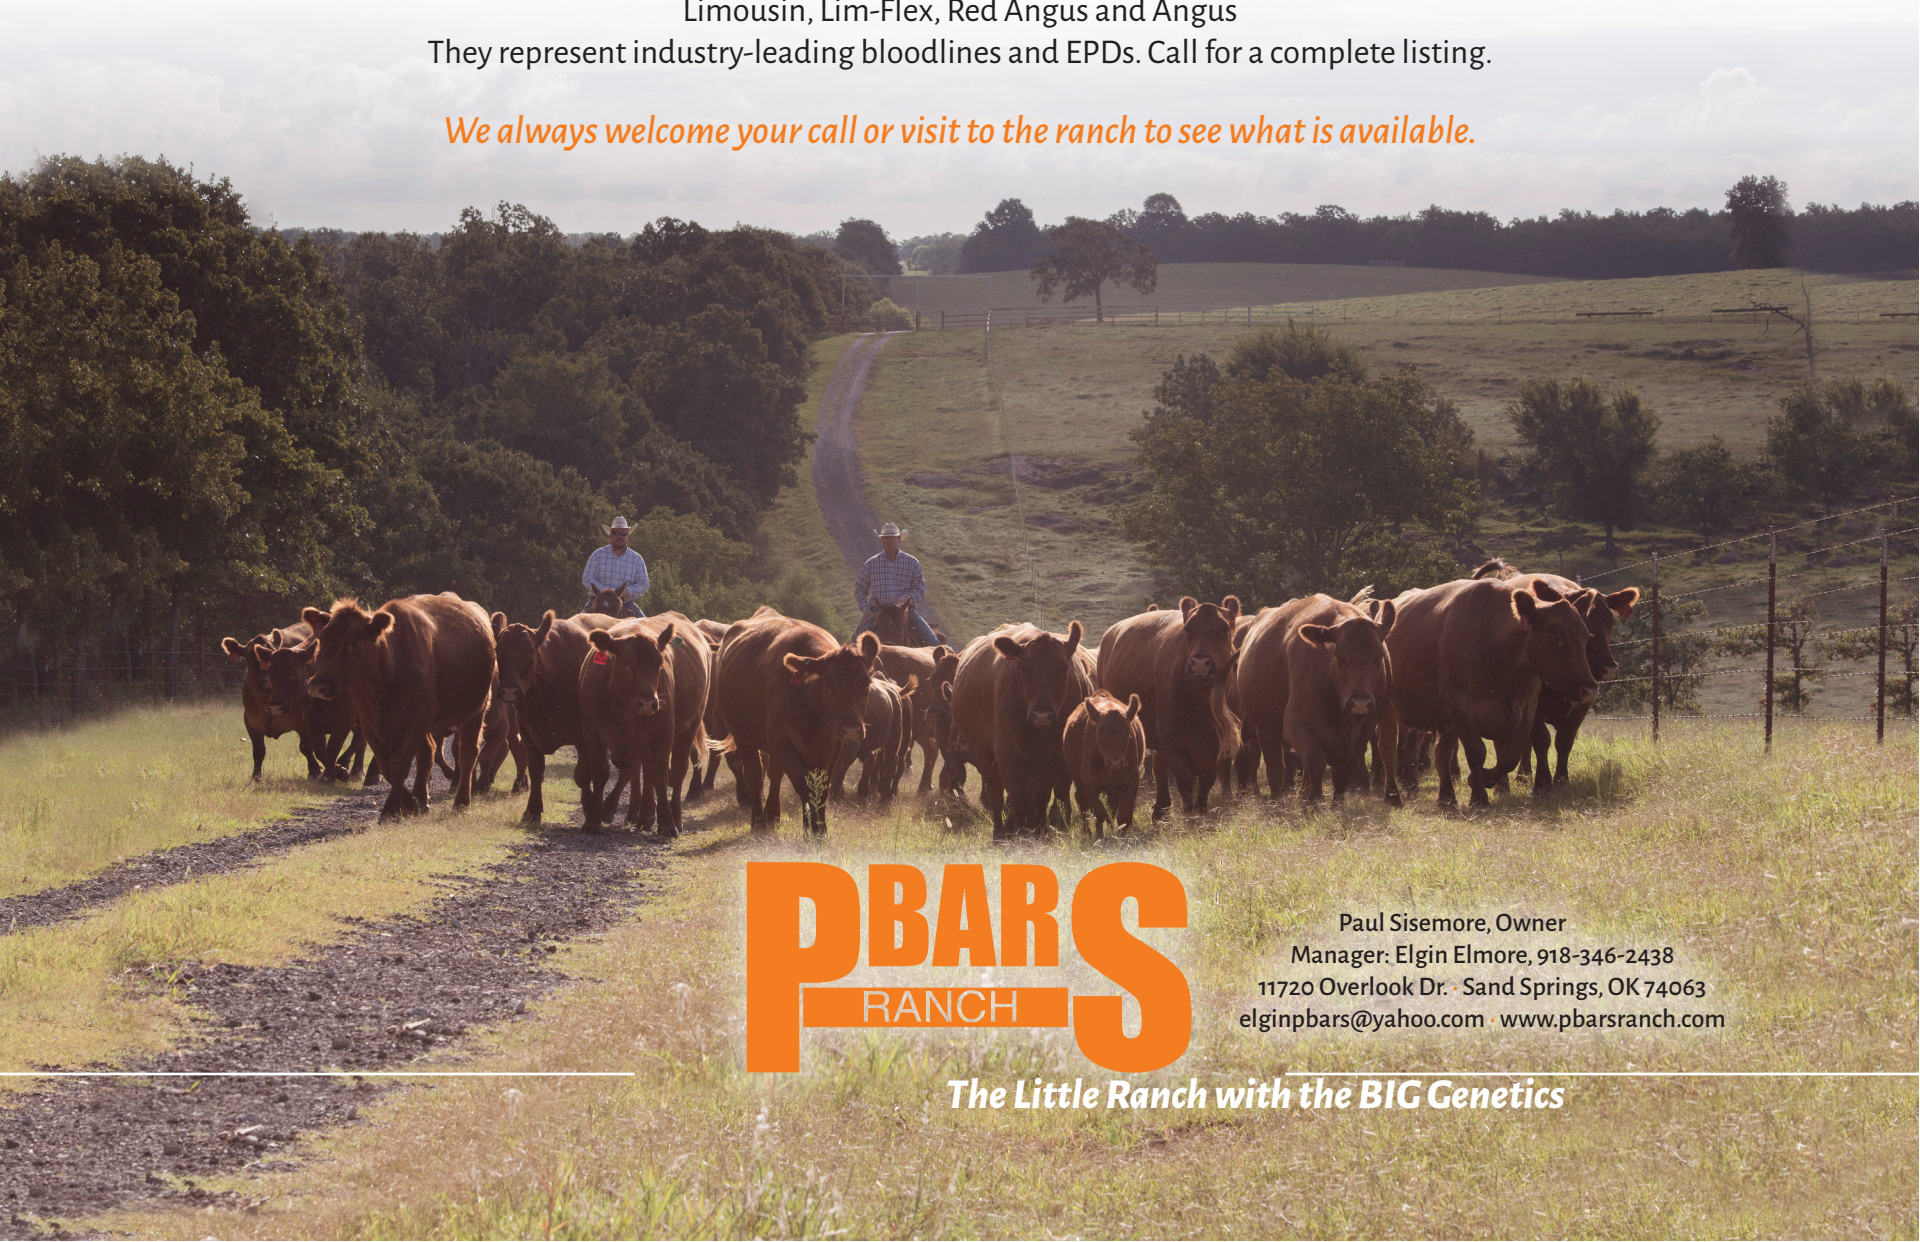

We extend our appreciation to our many customers who have supported our annual sales and we look forward to being back on schedule next year with our Proof of Progress Sale.

WE WILL HAVE BULLS AND FEMALES FOR SALE THIS COMING SPRING.

Limousin, Lim-Flex, Red Angus and Angus

They represent industry-leading bloodlines and EPDs. Call for a complete listing.

We always welcome your call or visit to the ranch to see what is available.
