

# BEST OF BOTH WORLDS

We strive to obtain and produce elite seedstock in both the Lim-Flex and Angus breeds. The unique way these two breeds compliment each other has proven to be an asset for our program as well as our customers'. These females are being used extensively in our ET program to the most progressive sires in the industry.

## TASF Fallon 190F

TASF Crown Royal 960C x PBR 348U  
TASF Fallon 190F was the \$65,000 top-selling female at the 2018 Divas and Donors Sale. She has been admired by many for her flawless structural makeup, depth of body and impeccable structural integrity.

## Boss Lake Ms Molly 068H

LFLC Bank Account 701B x Boss Lake Ms Molly 814F  
We believe this red purebred female is truly special and her potential mating possibilities are endless. Shown by the Hennessy family of North Dakota; she was undefeated in the Limousin division and claimed multiple supreme victories throughout her career.

*Angus*

## Conley Sandy 7350

E&B Confederate 507 x Conley S Sis Sandy 4350  
This female created a lot of buzz with her flawless lines, natural shape and dimension. This \$90,000 top-selling donor at the Conley Cattle Fall Production Sale offers unlimited genetic potential and has the ability to produce competitive show heifers of multiple breeds.

KDJ Queen Ruth 502

## UDE Queen Ruth 9044

Coleman Bravo 6313 x KDJ Queen Ruth 502 (pictured)  
We admire Queen Ruth for her tremendous amount of center body dimension, genuine base width and brood cow look. A female of this quality and lineage has the potential to make exceptional Lim-Flex and Angus breeding stock.

We have progeny and genetic opportunities available on these individuals and many others.  
We wish our many friends and customers a prosperous and healthy new year and welcome your call or visit anytime.
