

HERD SIRE CENTRAL

P Bar S Ranch has long been known as a source of top-notch females capable of getting the job done. Well as they say, behind every great bull is an even better cow. Given our solid cow base, it should come as no surprise that each year we produce an outstanding crop of bull calves. Those bull calves have grown and matured and are ready for purchase. Just like our production sale, these bulls have all the I's dotted and T's crossed and come fully guaranteed and backed by our industry leading customer service program. Contact Elgin today to schedule a visit.

**We have a large selection of Fall Yearling bulls for sale.
Limousin • Lim-Flex • Red Angus • Black Angus**
