

Building A Legacy!

CELL *Legacy Charm* 3162L

Sire: BNWZ Dignity 8017 **Dam:** Riverstone Charmed

We are extremely excited about the addition of 50% interest and full possession of this young donor prospect. Her pedigree represents the who's who of bloodlines in both the Angus and Limousin breeds. Her prestigious dam, Riverstone Charmed, has rewritten the record books in terms of generating winners and revenue over the past several years and they are the most sought after genetics in the industry. This young female was the featured lot in the recent Night On The Town Sale in Las Vegas. We look forward to working with our partners, Morris Cattle Co. of Walnut Grove, Missouri, to prove her legacy in production.

Watch for the genetic opportunities we will be offering in different sales this year and call about the bulls and females we have available.
