CATTLE SELL IN CATALOG ORDER

SALE LOCATION

7707 Raymond Stotzer Pkwy., College Station, TX 77845, 979.862.2582

EPD INFORMATION

Please note that EPDs may change from the time the catalog is printed until the registration papers are transferred. EPDs Dated 9/14/23.

ANNOUNCEMENTS

Announcements at the sale by the owners, auctioneers, or sale management will take precedence over statements in the catalog.

TERMS & CONDITIONS

All cattle sell under the standard terms and conditions set out by the North American Limousin Foundation.

INSURANCE

Insurance will be available. Inquire at the clerk's desk sale day.

SETTLEMENT

Terms are cash or check. Purchasers must make settlement with Sale Management prior to taking possession of purchased animals. Any arrangements to the contrary between buyers and sellers are at the seller's risk and are without liability to the sale management.

WARNING

A livestock activity sponsor, a livestock owner, a livestock facility, a livestock auction market, or any employee thereof is not liable for an injury to or the death of a participant in livestock activities resulting from the inherent risks of livestock activities.

TRUCKING

Buyers who spend \$7500 or more are entitled to free nationwide delivery.

WILDER FAMILY LIMOUSIN

Since 1912, the Wilder family has been farming and ranching in Snook, Texas, just outside of Bryan/College Station. Until 1982, the Wilder family primarily relied on farming as their dominant business. Fourth generation partner, Jay Wilder, expanded the horizon of the family farm by showing and investing in Limousin cattle.

Wilder Family Limousin runs approximately 150 head of purebred and Lim-Flex cattle. They also run a large commercial cow operation in conjunction with the registered cattle. In the farming operation, they grow cotton, grain sorghum, wheat and soybeans. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers.

Jay, the fourth generation partner in the operation today, is a 1993 graduate of Texas A&M University. In 1994, he and Molly married. In 1996, the fifth generation, Jayce, and twin brother, Spencer, were born. Molly is a 1993 graduate of Texas A&M as well. Currently she teaches 2nd grade for Bryan ISD. When she retires she will become more hands on with the day-to-day operations.

Throughout Jayce and Spencer's show career they have been very successful. They have shown on the local (Brazos Co.), state (Fort Worth, San Antonio, Houston and Texas Limousin Field Day) and national levels (National Western and National Junior Limousin Shows & Congress). The brothers graduated from Texas A&M University and returned home to the farm and ranch.

Jay has been active with the Texas Limousin Association, serving on the board of directors for many years, including a term as the organization's president. He is currently a member of the NALF Board of Directors.

We believe this red purebred female we selected from Canada is truly special. This female is sired by the popular purebred AI sire LFLC Bank Account 701B. Her powerful dam, Boss Lake Ms Molly 814F, is the daughter of the widely popular Cottage Lake Border Agent and had an extremely successful Canadian show ring career for Boss Lake Genetics. She was extremely competitive in the Limousin division and claimed multiple supreme victories. Boss Lake Ms Molly 068H was campaigned by the Hennessy family of North Dakota. She attracted the attention of many when she competed in the 2021 National Junior Show. We think highly of this purebred red donor.

Greenwood PLD Birch combines a notable pedigree, proven resume and eye-catching phenotype. This high-quality female has six registered progeny in CLA. Greenwood PLD Birch is sired by the popular AI sire CJSL Windfall 9072W whose influence has been seen across North America in multiple progressive breeding programs. Her dam is the storied HSF Tinkerbelle, the popular Carrouels Nasdaq daughter out of the well-known NP Vidalia 164H. Few donor females ever reach the elevated status of this female. On paper, Greenwood PLD Birch presents above-average growth and maternal traits. From the ground up, this female is big-footed, stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with such a practical build.

Here's an opportunity to procure a 75% Lim-Flex mating. TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint he is big footed, relaxed in his pasterns and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today—weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor female in this mating is BOSS Lake Ms Molly 068H. She is a 100% Purebred female that we are selling half interest in as Lot 1.

The dam of these embryos, MAGS Constance, is sired by the popular Angus AI sire EXAR Denver 200B whose influence has been seen across North America. Her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Constance is the definition of cow power and is truly an impressive individual. ELCX Kings Landing 599 D was a dominate show bull in his day and is now siring some of the most sought after progeny across the nation. TASF Heineken 405H is a double homozygous, 50% Lim-Flex son of TASF Crown Royal out of an EXAR Classen daughter who records strong growth numbers while exhibiting exceptional structural correctness. Each of these matings have loads of potential.

What a remarkable genetic opportunity. CELL Amelia Earhart 8212F is a double homozygous, 59% Lim-Flex daughter of MAGS Winston out of MAGS Xtra Rest, making her a full sib in blood to the dominate AI sire, MAGS Aviator. She sold for \$25,000 in 2019 and has established herself as one of the breed's elite brood matrons. Ratliff Jump Start 340J was selected Grand Champion Bull at the 2022 Cattlemen's Congress. The breed has tremendous momentum and attention due in large part from Jump Start's legendary dam, Riverstone Charmed. Jump Start's full sister won the NAILE Supreme Junior title for Sara Sullivan. TASF Heineken 405H is one of the breed's hottest AI sires based in large part to his strong number set and ability to sire eye appeal. He was the top-selling lot at \$44,500 in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. These are unique and powerful matings built for success in and out of the show ring.

Another incredible mating featuring notable individuals generations deep. PF Forever Princess 9055 needs little introduction.

Her dam, Lazy H Bar Forever Lady 5001, has generated more than two million dollars worth of progeny and many of her daughters are on the same track. 9055 is the combination of an incredible phenotype backed by an impressive set of numbers. Ratliff Jump Start 340J is a son of the immortal Riverstone Charmed, who has written pages of Limousin history both in and out of the show ring. Jump Start himself was selected Grand Champion Limousin Bull at Cattlemen's Congress and is destined to make a huge impact as a sire. TASF Grey Goose 333G is a purebred, homozygous polled, black AI sire. He is sired by the popular TASF Crown Royal 960C and possesses the intangibles to live up to his father's legacy. Talk about elite matings destined for the history books!

What a remarkable genetic opportunity you'll want to get your hands on! Ratliff Jump Start 340J is an impact sire out of FWLY Can Do and from the influential Riverstone Charmed donor female. FWLY Can Do is the RLBH Air Force One son from a great female, CLLL Crystal 334W. The breed has tremendous momentum and attention due in large part from Jump Start's legendary dam, Riverstone Charmed, who won Supreme Female at the 2016 North American International Livestock Exposition. Jump Start's full sister won Supreme Junior Female in 2021 for Sara Sullivan. They are the only mother/daughter duo to win the Supreme Junior female title at the North American International Livestock Exposition in Louisville. Ratliff Jump Start 340J was selected Grand Champion Limousin Bull at the 2022 Cattlemen's Congress. The dam in this mating is SEEE Eternity.

Everyone knows this powerful bull as one of the most highly anticipated and talked about individuals within the Limousin breed. DHVO Deuce 132R is a past national champion and four-time National MOE Gold Medal winner. He has all the credentials to ensure his name in a pedigree with greatness. The dam of this mating is UDE Queen Ruth 9044. She is a unique and powerful breeding piece that is sired by the \$450,000 Coleman Bravo 6313, one of the most phenotypically eye-appealing bulls in the Angus breed that is backed by the famed Donna cow family. Her dam is the highly productive KDJ Queen Ruth 502 donor, this daughter of the ever-popular PVF Insight 0129 was the 2021 Roll of Victory Show Dam of the Year. We purchased this elite donor from the 2019 Udell Cattle Co. Production Sale where this female and her maternal siblings led off the prestigious event. We admired this individual for her tremendous amount of center body dimension, genuine base width and brood cow look.

WULFS HICKOK 7056H x B-BAR GEORGINA 17H

Take a close look at these embryos, folks! Three embryos from the Wulfs Hickok 7056H x B-Bar Georgina 17H mating that will be 61% Lim-Flex. Wulfs Hickok 7056H was the lead bull in the Reserve Champion Lim-Flex Pen of Three at Cattlemen's Congress, then commanded top dollar at the 2021 Wulf Cattle Opportunity sale for \$22,500 selling to Running Creek Limousin and Peterson's L7 Bar Limousin. B-Bar Georgina 17H was a prolific donor purchase from Canada that has done nothing but good things for our program. She is appreciated for her length of body, depth of rib, attractive front end and strong udder development. Her dam comes from the well-known Belvin Angus operation. This is a promising mating you won't want to miss out on!

Feast your eyes on the one we decided to kick off the open heifer portion of the offering. From a pedigree standpoint, she is as well bred as anything in the sale. Her lineage features many well respected names including the Lucky III female who is a key member of one of the greatest cow families to ever reside at Pinegar Limousin. Study the way her neck ties in, her sweeping rib cage and the way she sets all four both square and solid. This fancy heifer will stand up against major competition, then transition into a breed leading donor.

Truly an impressive Lim-Flex female that you'll want to pay special attention to! She is long and incredibly level in her spine, extended and clean through her front one-third and huge middled. She is big footed, tracks with a long, comfortable stride and she's gorgeous on the profile. She is a daughter of MAGS Zodiac and LLJB Absolute Style 3056A, neither of which need any introduction to the breed. We think she has a bright future ahead of her, not only in the ring but also the pasture!

From a phenotypic standpoint, here's an individual that is flawless at the ground—big footed, relaxed in his pasterns, long striding and one that hits you hard when he's set in motion. Aside from that, study his depth of body, square hip and natural muscle shape. He will open the door for many opportunities within your herd throughout his years of service.
