Jagger has been a standout since birth. IF you like bulls with style, and muscle while being docile -- then look no further than Jagger! He was the Champion Lim-Flex Bull at the Clay County Fair, Spencer, IA. Whether producing market topping feeder calves or cattle that will compete in the show ring, Jagger needs to be on the top of your list!

Reserve Lim-Flex Bull at the 2022 Iowa State Fair. Deep made, easy fleshing with a big sound set of feet under him. We would keep Justin but his sire, dam & uncle have filled our replacement pens with quality heifers and the feedlot with steers that buyers love to feed.

Updates on Facebook @Baier Labs.

This guy has milk and growth EPDs in the top 10% of the breed and his own performance backs that up. He had an 846 adjusted WW and he keeps on growing! He has excellent carcass traits, big footed, sound and a great disposition. This is a bull you can build a herd around. Don't miss the chance to put him to work for you!

Absolute stud! A Kenworth is everything you want in a truck for the long haul. SL Kenworth W900L is everything you want in a herd sire! Power, mass, and eye appeal just to start. Very high docility. From the ground up, he carries a big foot, bone and outstanding structure, big scrotal, and plenty of rib and muscle to go around. His Dam has been a never miss producer in our herd. We think so highly of this young sire, we are retaining ½ interest.

This heifer is a result of an embryo purchase from Iowa's Limousin Sale a couple years ago. A full sibling to Luden's First Dakota, who won Reserve Supreme Limousin NWSS 2020, Champion Limousin American Royal, and Supreme Bull at Black Hills Stock Show. Following in her full sibling's phenotype this heifer possesses foot and bone while still maintaining a feminine, yet attractive profile. Big topped, plenty of rib shape, yet flexible with power and kid safe makes her hard to let go but with no one in the family to show, she needs to reach her full potential in one lucky person's barn.

CWCL STORY 010R

Felicia 318K has produced 3 offspring and has put 3 in the sale pen. Kennedy 218K is the best one yet! 218K is a powerful loose structured female that walks around on a big foot with ease. I believe the Kennedy will hold her own in the show ring, but she will shine even brighter as a cow producing herd sire and replacement heifer for years to come. Kennedy 218K's future is bright so bid with confidence and let your future be bright at well!

This young lady has a ton of potential with a nice look and a sweet disposition. A great investment for a young show person who could show her for two seasons before she becomes a great producer. With excellent EPDs ranking in the top 4% for Total Maternal and top 20% for \$MTI she will be a profitable Keepsake for years to come!
