Foundation as of 10/7/22.

TRUCKING:

Free shipping will be available to central
locations. Contact Charles Linhart, 641-340-1306,
to make arrangements.

Limousin Friends & Enthusiasts -

We would like to cordially welcome you to our 14th Annual Fall Harvest Production Sale. We are a family operation that's located just north of Leon, Iowa, in the heart of cow-calf country of southern Iowa. Our Limousin and Lim-Flex operation started in 1979 and has grown to near 400 producing females. Over the years we've always taken great pride in producing a quality product, our customers successes and doing things the right way.

In this sale offering we have brought you our very best. As you page through the catalog, we hope you'll notice the reflection of many of our premier donor cow families, elite herd sires, a progressive A.I. program and the no 'short-cuts' approach we've adopted over the years. Note, we have brought you our very finest open show heifer prospects. In totality, whether you're a junior looking for a show heifer project or breeder looking to make an investment, rest assured we'll have quality product backed with quality service.

With the sale offering in mind, we would like to take the time to reinforce to our fellow breeders and valued junior show families the opportunity of affordable success that can be found in our sale pens. Over the past several years, we have been extremely fortunate to have sold many females at wide ranging price points that have gone on to win championship banners at the local, regional and national levels. Folks, make no mistake October 21 there will be several high quality females at various price ranges to suit your budget.

That said, it's a priority of ours to make all business transactions with customers a pleasant experience. As it was last year, our sale will be held in our on farm sale facility (GPS directions found under sale information) and the cattle will be displayed in our on site display pens and will be auctioned off on video screens in our facility. In addition, all cattle sold are fully guaranteed to the catalog as in accordance with the North American Limousin Foundation as of September 25, 2023. Furthermore, if you would like to discuss the sight unseen purchase program, financial arrangements or trucking plans we are happy to accommodate.

We are excited to see all of you sale day October 21. If we can be of any assistance to you prior to or during the sale we have an open door policy and welcome all calls and questions.

*Sincerely,
The Linhart Family
Linhart Limousin*

Riverstone Charmed

CELL Karma 2215K
 \$89,000 Top-Selling Lot in 2022 Fall Harvest
 Full sib to Lot C

Pay close attention to these special pregnancies! Riverstone Charmed 50C needs no introduction she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time.

Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. There are too many banners won to report on a single page from maternal siblings. The sires of these pregnancies are BNWZ Dignity 8017, TASF Heineken 405H and PVF Blacklist 7077.

They each have the eye appeal, structure and percentages that make perfect matings to Charmed. These genetics have proven to be the most competitive in the nation many times over. Don't pass up the opportunity to own any of these elite pregnancies.

RETAINING 50% EMBRYO INTEREST AFTER SHOW CAREER

Here is a genetic masterpiece. This female has the elite show ring appeal that will bring her to the forefront of any arena she enters. She is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. Her dam, the great Riverstone Charmed, needs no introduction as she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Charmed progeny have won too many banners to report and this female is no different with all the pieces to compete nationally. With a legend like Riverstone Charmed 50C on the bottom side and BNWZ Dignity 8017 on the top side. We are confident this female will have success in both the show ring and production.

This elite heifer is the total package – notable pedigree, well-balanced numbers with a standout phenotype. Study this female and find natural muscle expression paired with rib dimension and bone. She is sired by BNWZ Dignity 8017, who is rocketing himself to the top as Insight's dominant son of producing profile and value! You will see her dam, Riverstone Charmed, several times in the catalog and quickly realize her progeny are continuous stand-outs. Be sure to have your focus dialed in on this incredible female because opportunities of this level don't happen often.

Get excited about this female! Talk about an eye-catching, feminine, show-stopping female. She is extended through her front one-third, clean in her lines, sound on the move and carries natural rib dimension. Her donor dam, Riverstone Charmed, needs no introduction but as a reminder, she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. Her sire is the popular Angus A.I. sire Silveiras Style 9303. His progeny have dominated not only the Angus show circuit but all breeds. These cattle have impressed some of the most reputable cattlemen in the industry for their eye-catching profile and athletic abilities when set into motion. Do not sleep on the opportunity to own this individual. We think she has a fun future ahead of her.

Talk about an eye-catching, maternal, productively designed female. She is extended through her front one-third, clean in her lines, sound on the move and carries natural rib dimension. She is a daughter of the National Champion Riverstone Charmed 50C. Silveiras Style 9303 has been one of the most popular sires in all breeds for the past few years and for a good reason. This female's combination of phenotype and pedigree does all the talking needed.

Here is an incredibly feminine, beauty of a female that we can't say enough about. She is a sleek made female with added style, tremendous length of body and a phenomenal presence. This daughter of the highly renowned 59% Lim-Flex son of the great MAGS Cable, FWLY LHC Capital, will garner the attention of breeders from across the entire country. She is out of the extremely successful LLJB Absolute Style 3056A, a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. This donor has produced many great ones, and this female is just one more to add to the list. This female is strong in her top, smooth in her lines and articulate on the move. She's got big things ahead!

Here is a tremendous quality female with such cow power and massive overall dimension. She is robust through her center body, unbelievably strong in her top and just flat good from all angles. They don't make 'em like this anymore, folks. This female is sired by FWLY LHC Capital who has been used in reputation programs across the country with great success. Her dam is the vastly popular LLJB Absolute Style 3056A. Absolute Style is the elite female that came out of our 5th Annual Fall Harvest Sale purchased by Shelby Hennessey. Hennessey showed Absolute Style all over and most notably was named the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. This genetic combination will have such a strong influence on this exciting young female's future, not only as a show heifer but in the near future as an elite donor prospect. This female deserves some serious attention.

Here is an opportunity to flush the many-time champion LLJB Absolute Style 3056A to the bull of your choosing. LLJB Absolute Style 3056A has more than 70 calves on file which have generated more than \$600,000 and is known for eye-appealing progeny that excel in terms of structural integrity. There have been too many extremely successful progeny to mention; for example, CELL Fascination 8231F, was the top seller in our 2018 Fall Harvest Sale commanding \$80,000 to Sara Sullivan of Dunlap, IA, and the high-selling bull in our 2020 Business Done Right Bull Sale was CELL Freedom 8208F, purchased by Wilder Family Limousin of TX. Whatever paternal influence you chose, the product will be highly marketable and ultra-competitive. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

Pay close attention to these special embryos. The top side of this mating is the vastly popular LLJB Absolute Style 3056A, the elite female that came out of our 5th Annual Fall Harvest Sale, purchased by Shelby Hennessey of North Dakota. Hennessey showed Absolute Style all over and most notably was named the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. The paternal influence of this mating is Ratliff Jump Start 340J, one of the most popular FWLY Can Do sons. He is an impactful Limousin sire out of the immortal Riverstone Charmed 50C. Jump Start himself was selected Grand Champion Limousin Bull at Cattlemen's Congress in January 2022. Don't sleep on the chance to own greatness.

Here is the opportunity to procure a flush of CELL Krush 2098K. This female is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. This daughter of the National Champion, MAGS Firestone 218F, will garner the attention of breeders from across the entire country. She is out of the extremely successful LLJB Absolute Style 3056A, a Silveiras Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. This donor has produced many great ones, and this female is just one more to add to the list. This female is strong in her top, smooth in her lines, and articulate on the move. She's got big things up ahead!

Look here! This one will grab your attention from a mile away. From the ground up this female is big footed, stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with such a practical build. This daughter of ELCX Kings Landing 599 D is sure to turn the heads of breeders from all over the country. Kings Landing 599 D is the ever-popular son of MAGS Xyloid out of the great WLR Prada female. Her dam, CELL 5154C, has breed-leading EPDs and an eye-catching look that she successfully transmits to her progeny. We appreciate this female's incredible depth of body, rib shape and natural thickness. She is clean and extended through her front one third and cat-like on the move.

Here is an incredibly feminine, beauty of a female that we can't say enough about. CELL Leigh 3070L is one of our absolute favorites around here. She's sweet fronted, dead level in her top and soggy bellied. She's big boned, excellent in her footwork and so flashy when she stops. Her dam PBRS 7120E is a female we purchased from P Bar S Ranch. We appreciated her feminine pattern and predictable pedigree being a MAGS Aviator X AUTO Classy 272B. The paternal influence of this mating is the sire of the 2021 NAILE Supreme Champion Junior Female. FWLY Can Do is currently dominating the Limousin show rings. This is an all-around solid female with such a bright future in the ring and production.

Big-time genetics in this female! Her donor dam, MAGS Yakut, has been an integral piece of our breeding program. She was a purchase from Magness Land & Cattle in 2013 and has had a tremendous impact on our herd since. Her sire is CELL Denali 6405D, an EBFL Ypsilanti 420Y son that has been entrusted with pasture duties for the past few years and has done an outstanding job. This female has a captivating design and overall presence. She is fault-free on the move, flexible in her pasterns, and strides with incredible confidence and poise. She will be a powerful mainstay in any program with a background and design like this. A true standout donor prospect if you ask us!

Full sib to Lot 26 and more evidence to the predictability of this matting. These two females are absolutely stunning, admire them for their unique combination of production value and show ring appeal. CELL Layan 3127L is big footed and stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with such a practical build from the ground up. Additionally, she has a killer design and look about her and we know she's got big things ahead!

Here is a DEBV Gladiator 917G daughter that deserves some attention. She reads structurally correct off both ends of her skeleton, is level hiped, deep bodied and ultra-feminine. Her EPDS are worth studying. She ranks in the top 10% in both Calving-Ease and Birth Weight, and top 20% Scrotal. Her dam, MAGS Gala Event 148G, is a high-quality CJSL Data Bank 6124D daughter that was purchased from Magness Land & Cattle. This female is long and level in her hip, correct on her feet and legs, and reads with such longevity and boasts a super functional build.

At this point, it should be clear just how good the DEBV Gladiator 917G daughters are. This elite heifer is the total package – notable pedigree and well-balanced numbers with a standout phenotype. Study this female and find natural muscle expression paired with rib dimension. She is sired by DEBV Gladiator 917G, an 84% Limousin. Her dam is a highly productive six-year-old AHCC Cowboy Kind C595 daughter purchased from Wieczorek Limousin. CELL Larsa 3057L comes with an impressive set of EPDs worth studying – highlighted by ranking in the top 10% of the breed for Milk and Docility. She is as fundamentally sound as a female can get, big footed, square in her hip and level in her spine. This is truly a special opportunity to acquire a foundation building female!

CELL Lemon 3065L is loaded with dependability, longevity and athleticism. She's a daughter of CELL Envision 7023E. This legend is deceased, but his legacy continues siring calves that sort to the top of many astute breeding programs across the country and have captured the attention of the best cattlemen. Her dam is MAGS Connie, a daughter of EXAR Denver 2002B. On paper, her yearling weight and carcass weight EPDs rank in the top 10%. She is a well-balanced female with a world of cow power and doability. This female is strong in her top, smooth in her lines and articulate on the move. This gal offers a ton of versatility that you won't want to miss.

She has a brood cow look that can't be beaten if you like producing powerfully built, high performing cattle. She offers so much dimension, muscle expression, capacity and growth. Study her numerics and find a balanced set of numbers that back her impressive phenotype. She is the daughter of our senior herd sire, CELL Denali 6405D. This female's dam is a highly productive 11-year-old DHVO Deuce 132R daughter. This 46% Lim-Flex female is great in her structural conformation, level in her top and feminine in her lines. The potential is all here, and we are excited to offer a female of this nature and proven lineage.

PE'd to ELCX High Time 065H.

Here is a tremendous quality female with such cow power and massive overall dimension. This female is robust through her center body, unbelievably strong in her top, and just flat-good from all angles. They don't make 'em like this anymore, folks. This female is sired by MAGS Cable. Her donor dam is out of the influential MAGS Aviator. The earning potential is all here. This is a Lim-Flex that offers a ton of versatility you won't want to miss.

This female offers an unwavering presence coupled with an overwhelming amount of power and shape. She reads structurally correct of both ends of her skeleton, is level hiped, deep bodied and ultra feminine. We love this female's completeness and her true cow power. Full sib to Lots 41 and 42. She'll be a true asset to anyone's program and you'll want to have her on your shortlist when the sale begins.

What a powerful female with depth of pedigree and tremendous numbers. Study this female and find natural muscle expression paired with rib dimension. On paper, this female ranks in the top 10% CE, top 15% BW, top 20% WW, top 15% YW, top 15% TM, top 3% SC, top 25% CW, top 4% MB, and top 3% \$MTI. She is the daughter of our senior herd sire LVLS Full Duty 2201F who is an absolute curve bender with a huge spread from birth to weaning. This female is stout in her build, attractive from the profile, and reads with such longevity and breeding versatility.

This big time female is flat good from all angles. She is sired by CELL Denali 6405D our senior herd sire that is out of the great EBFL Ypsilanti 420Y. Her dam is a hard-working 11-year-old DHVO Deuce daughter. This genetic combination will have such a strong influence on her exciting future. What's more, she is homozygous black and double polled. Here is a 46% Lim-Flex that will make a great addition to any progressive herd.

Here is a bred female that is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. She is a daughter of SSTO Best Bet 456B, a senior herd sire in our program. She is a well-balanced female, with a world of cow power and doability. This female is strong in her top, smooth in her lines and articulate on the move.

This female is yet another high-quality CELL Denali 6405D daughter. Her dam, MAGS Grete 288G, is a 62% Lim-Flex sired by COLE Absolute 05A out of the well-known LLJB Absolute Style 3056A donor female. Take note, this female ranks in the top 15% for Weaning Weight and top 10% Yearling Weight. She is well-featured and exhibits such longevity in her structural makeup. She is put together just right and has all of the ingredients to be a top-end producer in your program!

This gal has a brood cow look that can't be beaten if you like producing powerfully built, high-performing cattle. She offers dimension, muscle expression, capacity and growth. Study her numerics and find predictable growth ranking in the top 30% for WW and top 20% for YW. She is long-bodied, beautiful through her front one-third, and ultra- correct in her structural build. She's feminine headed, smooth shouldered and striking on the profile. Ponder the profit potential this female can add to your program and step up your genetic arsenal.

Affordable Success

We would like to take the time to reinforce to our fellow breeders and valued junior show families the opportunity of affordable success that can be found in our sale pens. Over the past several years, we have been extremely fortunate to have sold many females in EVERY price bracket below that have gone on to win championship banners at the local, regional and national levels. To illustrate our 'affordable success' mantra take a look at our historically price break averages.

Folks, make no mistake October 21 there will be several high quality females at various price ranges to suit your budget.

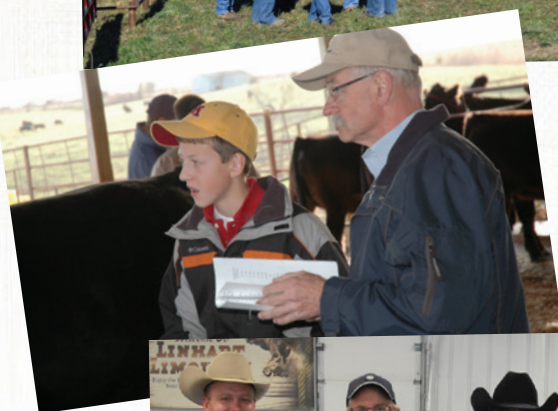

FALL HARVEST HISTORICAL COST BREAKDOWN

TOTAL OPEN HEIFERS SOLD

10%		\$10,000 & Above
22%		\$5,000-\$9,999
42%		\$3,000-\$4,999
26%		\$2,500-\$2,999

TOTAL BRED HEIFERS SOLD

6%		\$10,000 & Above
10%		\$5,000-\$9,999
72%		\$3,000-\$4,999
12%		\$2,500-\$2,999

Sale Notes

[illegible]

Thank You

We appreciate your support and interest in our breeding program. We take the people side of the business very seriously and never for granted, that's why producing a quality product and making sure our customers are satisfied has always been a top priority. Simply put, your attendance and participation in our sale event has humbled us, and we wish you many successes with your purchases.

Thank you for taking time to view the catalog and allowing us the opportunity to earn your business.
