COMMENTS FROM SALE MANAGEMENT

Cattle Enthusiasts,

It is with much excitement and anticipation that all of us at R&R Marketing Company welcome you to the Night on the Town Sale. As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this industry and wanted to create a sale that celebrated everything that is good about the business...the people and the product! When Kiley and myself started this venture, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more than ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing this industry the way that it should be!

Thanks in advance,

Randall O. Ratliff
R&R Marketing Company

Cattle Friends,

In the time I have spent assisting seedstock producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the industry could and should be proud of. The goal of Randy and myself in creating "A Night On The Town" was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has developed into "can't miss" event.

As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite." From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are "the best of the best."

It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Vegas!

Sincerely,

Kiley McKinna
MC Marketing Management

Selling full possession & interest. Seller reserves the right to 2 successful flushes.

Without a doubt the best way to lead off this sale. This SCC SCH 24 Karat 838 daughter is complemented maternally with the great Sandy cow family. Her dam, Silveiras S Sis Sandy 2355, is out of K N C Cabin Creek Sandy 804, the matriarch of the "Sandy" cow family that has been a mainstay donor at Conley Cattle herself. This female's sire, SCC SCH 24 Karat 838, is an elite Angus A.I. sire whose progeny dominate both in the ring and in the pasture. Conley Sandy 4179's sheer mass, overall dimension and symmetry are second-to-none. She is phenotypically flawless and has the credentials to generate high dollar show females and elite herd sires. Invest with confidence in this stunning female. For more information contact Kyle Conley, 580.618.4533; Cole Atkinson, 417.773.6421 or any member of the sale team.

Selling choice

Opportunity knocks. This donor is one of the most proven Angus females in the entire business, Lawsons Chloe C815. She was selected by Coleman Angus of Montana as the \$15,000 top-selling bred heifer of the 2017 Lawson Family Farms Sale. Lawsons Chloe C815 has gone on to produce top-selling progeny all over the nation. She sells in this sale as lot 2. Here she is mated to either Hummel South America, the \$180,000 half interest top-selling bull of the 2021 A Night At Remington Park Sale. South America is a very special individual, his first progeny were the talk of the 2022 Coleman Angus Production Sale. A featured daughter of this outcross sire was Sadler Chloe 2020, who was a featured lot in our inaugural 2022 The Maternal Showcase Sale. Or Connealy Clarity, an elite \$combined sire who checks all the boxes while bringing worlds of muscle expression, stoutness, and foot quality that sweetens his powerful look.

Guarantee 6 and max of 12, buyer pays flush expense, seller provides semen.

These embryos offer you the opportunity to invest in a top-of-the-line donor and some of the breed's freshest and best genetics. Goode-RCC Ashland 1483 was sold in Pollard Farms 2024 Female sale to Genesis Enterprises for \$30,000. She is a maternal sib to EXAR Tomahawk 2836B, the \$400,000 half interest top selling animal of the 2023 Big Event at Express. The diverse sires featured in this designer mating present a unique opportunity for success. FF Rito Ambitious re-wrote the history books at the 2024 Bases Loaded Sale at the Cattlemen's Congress when his first 1,020 units of semen sold for \$510,000. He sports a different pedigree along with impressive numbers for WW, YW. His marbling, \$G, \$B and \$C EPDs all rank in the top 1% of the breed. RSA True Balance 1311 is the \$350,000 valued top-seller of the 2022 Bases Loaded Sale at Oklahoma City when half interest sold for \$175,000. Ten daughters from the first calf crop by True Balance commanded an average of \$53,500 in the 2024 Spruce Mountain sale with a top seller at \$100,000. In the 2024 Big Event at Express, eight daughters sold for an average bid price of \$54,625. RSA True Balance is a favorite of all who have seen him with his impressive power and phenotype for a calving ease choice with breed leading marbling score genetics.

Here is a unique Angus consignment from Canadian Donors. Your choice is between two highly proven females in the breed that need little introduction. Coleman Donna 9311 has a progeny production record of WR 2@111, YR 1@107 and stems back to the \$3 million producer, Coleman Donna 714 and has blessed our program with success. While Coleman Abigale 9228 is a direct daughter of the Pathfinder Sire, Leachman Right Time, back to Pathfinder dam, Coleman Abigale 0277. This female has a progeny production record of BR 2@98, YR 1@101. The paternal influence of these embryos is Brooking National 0144, the most impressive and the most proven son of the immortal SAV Renovation. The depth of quality and consistency in his first two calf crops was incredible. His first sons averaged a sale topping \$13,000+ in the 2023 Bar E-L Bull sale and were one of the most talked about sire groups in all of Canada. These progeny are predictably great. Bid with confidence.

Coleman Donna 439 has become one of the most valuable donors for K&M Cattle Co. in their Angus Program program. This female was valued at \$175,000 out of the 2023 Coleman Angus Female Sale and has proved her worth over the past few years in production. Here, she is mated with either Connealy Craftsman, one of the most unique and adaptable maternal bulls in the breed when you consider he ranks in the top 20% of the breed for Heifer Pregnancy, Milk, Docility, Claw and Angle, PAP, and Hair Shedding. Or J Trademark 1037, the newest herd bull in the Coleman program that was selected as the \$165,000 top-selling bull with Conley Cattle of Sulphur, Oklahoma, from the Cattleman's Cut Sale in Nebraska. He is a heifer bull with added performance and is the highest \$C son of Sitz Resilient 10208 in the breed and ranks in the top 1% for \$M. It doesn't get any better than this.

Coleman Maternal Source 356 was the \$210,000 top-selling bull of the 2024 Coleman Angus Spring Bull Sale where he sold one-half interest for a \$420,000 valuation to Southall Angus, LLC of Tennessee. He is one of the most talked about bulls in the 2024 spring bull sale season and is the son of the outcross sire and \$180,000 South America back to Pathfinder dam, Coleman Donna 787, who has a progeny production record of BR 5@89, WR 5@107, YR 4@108 with one daughter in production with an average nursing ratio of 110. Coleman Donna 787, his dam, has generated \$877,000 on 16 head to average \$54,813 in past Coleman Angus sales. There has only been 25 units of this bull sold ever, and H2O Cattle and Carrico Angus have the entire inventory in their possession and decided to let go of three units in this special event.

Two of her daughters sold for \$125,000 and another for \$30,000. SO Remedy 7F is the record setting Simmental bull that sold for \$530,000 in the 2021 Embryos on Snow to Freking Livestock of Alpha, Minnesota. Remedy was selected as the 2021 Cattlemen's Congress Grand Champion Simmental Bull. With limited use, Berwick has been used on some of the most prolific cows in the business. The first impression that one has when studying the sheer quality, mass, and near perfect structural design that JBSF Berwick 41F possesses is simple; he is destined to be a sire of impact. W/C Bankroll 811D was the Werning Cattle Company's \$205,000 record-high seller in 2017. He has added width and power and is a genetic giant on paper.

JSUL Sam Is Wise 1552J was the 2023 AJSA Reserve Grand Champion Purebred Female for Sara Sullivan. She is a daughter of JSUL Something About Mary 8421, one of the most complete and prolific Simmental bulls the breed has seen. His pedigree, Relentless x JBSF Proud Mary, solidifies the ability to transmit maternal, in fact it shouts it. JSUL Sam Is Wise 1552J's dam, WPRF Wise Lola,

was a powerhouse show heifer herself garnering Reserve Grand Champion Percentage Simmental at the 2018 National Classic. Revelation is the TL Revenant son out of the RIED Banded Mae donor. He was the impressive \$200,000 high-selling bull. SO Remedy 7F is the record-setting Simmental bull that sold for \$530,000 in the 2021 edition of Embryos on Snow in Oklahoma City to Freking Livestock of Alpha, Minnesota. Remedy was then selected as the 2021 Cattlemen's Congress Grand Champion Simmental Bull. The rookie calf crop has more than exceeded expectations with high sellers at several different marketing venues during the fall of 2021. Daughters have sold for \$50,000, \$40,000, \$40,000, \$35,000, \$27,000, and countless others from \$10,000 to \$20,000. The first set of SO Remedy 7F sons were an absolute hit in the 2022 Hartman Cattle Co. Bull Sale where 18 sons averaged north of \$20,000 with standouts commanding \$120,000, \$42,500, \$32,500, \$25,000 and several more from \$12,000 to \$20,000. 4/B Dynamo commanded \$120,000 selling to M&E Cattle Co. and Herbster Angus Farm. SO Remedy 7F is the sire of all three members of the 2022 Cattlemen's Congress Grand Champion Purebred Pen of Three.

Reckoning was the Champion Percentage Bull at both the 2019 North American International Livestock Exposition and the 2020 National Western Stock Show. Reckoning is an obvious answer to build better Simmental cattle. Reckoning's dam was Reserve Supreme Female at Jr. Nationals and Supreme Champion Female at OYE and is making a huge impact as a breeding female. He is out of Relentless, the hottest sire in the Simmental Breed and we expect Reckoning to continue the breeding tradition of his sire. The donor female in this mating is JSUL Mary Is Proud 8047F. She was the Calf Champion and Reserve Overall Purebred Simmental Female at the 2018 NAILE Open Show and she went on to be selected as the Grand Champion Simmental Female at the 2019 FWSS Open Show. The Proud Mary name carries as much regard and recognition as any cow family within the Simmental breed. These embryos will be purebred Simmental.

Relentless has enjoyed his fair share of popularity and success. He commanded \$87,500 to top the 2016 Werning Cattle Co. sale and has become a leading semen sales bull within the breed. This is because of his ability to sire size, foot quality, length and overall quality. He stands out for his ability to enhance average quality cows and give their calves the extras most of us strive to produce. You will find his progeny to be heavy muscled, long sided and stout made. His sons will have the ability to change a set of plainer made, moderate framed cows, and his daughters have swept almost every major show nationwide. Relentless is one of the “go-to” sires to improve front end eye appeal and has made many high sellers and Grand Champion heifers and now those same winners are proving themselves as excellent momma cows. The donor female in this mating is CELL Fascination 8231F, a daughter of MAGS Ali and out of the legendary donor female, LLJB Absolute Style 3056A. Absolute Style 3056A is a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. CELL Fascination 8231F was the \$80,000 high-selling female at the 2018 Linhart Limousin Fall Harvest Production Sale. These embryos will be half Simmental. Talk about a royal blend of genetics!

Wulfs Latigo K750L ET earned the attention of many astute cattlemen while on display at the 2024 NWSS for his tremendous phenotype coupled with volume of body and muscle. His dam, Wulf Edwinna 7056E, is a herdsire producer having raised Wulfs Gallagher 7056G and Wulfs Hickock 7056H, who were her first two natural calves. Latigo ranks in the top 5% of the breed for WW, ADG, YW, Milk, TM, DOC, CW, and CREA, which is impressive for a bull with his show ring style and presence. First opportunity to acquire genetics from the top selling bull from the Wulf's Opportunity Sale Of 2024.

Selling full possession and 50% interest, after show career at Cattlemen's Congress 2025.

Safe in calf to ELCX High Time & due approx. April 20, 2025.

This female is one to get excited about. Talk about an eye-catching, maternal, productively designed female. She is extended though her front one-third, clean in her lines, sound on the move and carries plenty of natural rib dimension. A daughter of the popular Angus A.I. sire, BNWZ Dignity 8017, this proven sire transmits growth and do-ability to his progeny. Her donor dam is the well known Riverstone Charmed female that needs no introduction to the breed. This female has hung many banners for Ryleigh Morris of Walnut Grove, MO. A few of her exciting feats include Champion Division IV at the 2024 American Royal and Third Overall Division III at NJLSC. Don't pass on the opportunity to invest in a female of this caliber.

Sells due 04.10.25 to DUFF No Problems 2030.

Ratliff KimK 225K ET is a 57% Lim-Flex female sired by MAYC Gold Buckle 624G. Gold Buckle was crowned Champion Bull at the 2020 North American International Livestock Exposition and Reserve Champion Bull at the 2020 American Royal. He sired both the Grand Champion Limousin Bull and Reserve Champion Limousin Bull at the 2023 North American International Livestock Exposition. Many admire him for his eye catching rib dimension, bone and structural correctness. This phenotype comes from his winning lineage sired by MRRC Legal 441E, a son of Colburn Primo 5153 out of the one and only Riverstone Charmed 50C—the “Larissa” Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. Gold Buckle’s dam is the great FWLY Purple Ribbon who had an outstanding show career racking up banners everywhere she went. This female’s dam is MRRC Fivestar Charm 818F ET, a daughter of BCII MLA Next Up 015 and out of Riverstone Charmed. Riverstone Charmed, is the most accomplished show female in history and now her daughters are dominating the show road. The demand for Riverstone Charmed influence is at a fever pitch as evidenced by one of the most prolific to sell, her daughter, Ratliff Howaboutit 008H, commanding a staggering \$201,500 who went on to garner the 2021 NAILE Supreme Champion Female honors for Sara Sullivan. On paper, Ratliff KimK 225K ET ranks in the 25th percentile for her milk figure.

Safe in calf, due spring 2025.

Look here folks, females like this aren't made every day and when they hit the ground it's with high anticipation that they'll mature into a fault-free silhouette just as this female has. We simply cannot say enough about the quality, phenotype and eliteness present in this female. She is gorgeous fronted, incredibly well balanced from end to end and she's phenomenal on the move. What a powerful bred female with added depth of pedigree. Her sire is KLS SULL Charmer the \$52,000 valued herd sire prospect who sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co., who has made a lasting impact on the Limousin breed. Her dam, WLR Eden ET, is the daughter of Silveiras Style 9303 and the MAGS Phantoms Prize female that has raised progeny that consistently make their way to the winners circle. This genetic combination has created a female that we are confident will have a bright career in production! She's a head turner that can get the job done phenotypically and genetically.

Looking to spice up your battery of females? These females will do just that and leave you speechless! They are daughters of Collison Alpha 028, the extremely popular Division Champion at the 2021 Cattlemen's Classic! Added stoutness, volume and structure are all benefits Alpha has transmitted into these daughters. With Georgina on the maternal end, Alpha continuously produces "high-end" stunners that create value and these females are no exception. Their dam, STLX Hope, a daughter of AUTO Lucky Strike 118B, took Garrett Walden of Tonganoxie, Kansas, to the backdrop many times. We continually fall in love with her offspring. Phenotypically, these females are as good as any Lim-Flex females on the market today. They are put together like no other—with a big swoop to their center body, accurate in their stride and blend nicely from their shoulder back into their tops. You won't want to look past either of these open females, simply for their value as an elite future donor prospect. You'll want to consider adding them to your program or else you'll wish you had!

SSUL How About Her 3204L ET is sired by Silveiras Style and out of Ratliff Howboutit 008H ET. Silveiras Style has a royally built, banner winning pedigree. This female's dam, Ratliff Howboutit 008H, was the 2021 North American International Livestock Exposition Supreme Champion Junior Female for Sara Sullivan. She is the daughter of FWLY Can Do and out of the great Riverstone Charmed 50C donor. Today, Ratliff Howboutit 008H is generating progeny that are garnering wins across the country and topping the charts time after time for high-seller status. To name a few, SSUL Forever Charmed 4295M ET was the 2024 Maternal Legends Sale \$250,500 high-selling female and was recently named the 2024 North American International Livestock Exposition Reserve Champion Limousin Female for Reid Utterback. SULL Forever Charmed 3557L was the 2024 Tulsa State Fair Grand Champion Limousin Female and Fifth Overall Supreme Owned Female exhibited by Carter Kornegay. SSUL Charmin Forever 3237L was the 2023 Reserve Supreme Heifer at the Hoosier Beef Congress, the 2024 Kentucky Beef Expo Reserve Supreme Female as well as the 2024 VCCP Supreme Female in both rings for Reid Utterback. The 2023 Maternal Legends Sale \$210,000 high-selling female was also a Ratliff Howboutit 008H daughter. On paper this female ranks in the 35th percentile for her weaning weight and marbling figures.

Pick of the 2025 L7 Kingpin 2001K Progeny.

Study L7 Kingpin 2001K on paper and admire his impressive muscle mass, structural build, foot quality, length of body and that proud masculine herdbull front end as he eases around the pen. His 14-year-old dam is efficient, functional and structurally sound and looks good doing it. His sire is arguably one of the most popular genetic lines in the U.S. right now and one that we admire for performance, foot quality, docility and scrotal development. B Bar Cattle and Shy Hawk Limousin purchased Kingpin as the high selling lot in L7's 45th Annual Production Sale. There is something for everyone in this pick of progeny. They are sound, structurally correct, and packed full of performance. Don't miss this opportunity.

BNWZ Dignity 8017 is one of the top PVF Insight 0129 sons across the country. He is out a great Dameron First Class daughter, CCC Sara's Cream 5116. BNWZ Dignity 8017 had tremendous success throughout his show career leading to his 2020 Roll of Victory Shows Show Bull of the Year title. HSF Your Fantasy is a female that needs no introduction as one of the industry's top Purebred Limousin donors. As a yearling she was awarded the title of National Champion Limousin Female in Brandon, Manitoba, and carried on that winning streak at Canadian Western Agribition. She not only was the first but the only Limousin female to ever be awarded this title. During the Limousin breed show she was named the Grand Champion Limousin Female and she rounded out the week of Championships with the Grand Champion Female at the Canadian Junior Beef Extreme. Her most celebrated daughter is Riverstone Charmed also known as "The Ratliff" heifer that set the show world on fire in 2016. It has been said that "This is a female that will put the Limousin breed on the map." Fantasy is also the dam Riverstone Crown Royal who was the high selling bull at the 2016 Riverstone Bull Sale.

Take a look at this pregnancy that has a nationally competitive pedigree. The bottom side of this mating is the vastly popular AUTO Callie 403D who was selected Grand Champion Limousin Female at the 2018 All-American Limousin Futurity. This female is an AUTO Power Plus 133B daughter out of the famous AUTO Rebeca 292S donor. AUTO Callie 403D continues to produce progeny that are in high demand. They have a look and presence that is hard to pass up. The sire of this mating, MAYC Gold Buckle 624G was crowned Champion Bull at the 2020 North American International Livestock Exposition and Reserve Champion Bull at the 2020 American Royal. Most recently he sired both the Grand Champion Limousin Bull and Reserve Champion Limousin Bull at the 2023 North American International Livestock Exposition. Many admire him for his eye-catching rib dimension, bone and structural correctness. Here is a winning pedigree that you don't want to pass up. Start imagining the possibilities and make them a reality sale day!

Truly an exciting planned pregnancy! A 65% Lim-Flex calf from the DL Let Us Pray 087L x LLJB Absolute Style 3056A mating. DL Let Us Pray 087L is a purebred Limousin bull sired by ELCX Kings Landing 599D ET. ELCX Kings Landing 599D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. This bull's dam is DL Hosanna 526H ET, a purebred daughter of TASF Crown Royal 960C and from the one and only Riverstone Charmed female. The donor female in this mating is LLJB Absolute Style, the Silveiras Style daughter out of the infamous MAGS Wassail female. Her production ability is well documented by a litany of top sellers and show ring champions across the breed. LLJB Absolute Style 3056A is the elite show heifer of Shelby Hennessy's from 2014. She was the high-selling lot in the 2013 Linhart Limousin Fall Harvest Sale.

ELCX Kings Landing 599 D ET is a deceased bull who has very limited semen available but has made a very big impact on the industry already through his progeny. He was 2017 NAILE Reserve Grand Champion Limousin Bull and 2018 NAILE Grand Champion Limousin Bull. He then continued his success in the pasture in production as he has sired some of the finest cattle the Limousin breed has ever seen. They have dominated the local and major shows across the country, and they have certainly highlighted many sales the last couple of years. His premier genetics and flawless conformation made him a force in the Limousin breed! Though he is now deceased and the semen is in rare supply, this 81% Limousin sire that is homozygous black and homozygous polled is one sire you'll want to get incorporate into your herd.

Boss Lake Red Eye 207K is an outcross to many mainline pedigrees and is backed one of the winningest purebred cow families including two top five finishes at Junior Nationals and recently Champion Junior

Limousin Female at Cattlemen's Congress in Oklahoma City. ELCX High Time is the \$20,000 syndicated bull that was the 2022 National Western Stock Show Grand Champion Limousin Bull and found success at the 2023 Cattlemen's Congress. Coming In Klutch is as big and bold as they come without sacrificing soundness, muscle expression and do-ability. This stud is built for production with a proven pedigree to back that.

An opportunity of this caliber doesn't hit the open market very often. Four IVF reverse sort heifer embryos from the sire of your choice or ELCX Kings Landing 599D and Ratliff Howboutit 008H-clone. Ratliff Howboutit 008H was the 2021 North American International Livestock Exposition Supreme Champion Junior Female for Sara Sullivan. She is the daughter of FWLY Can Do and out of the great Riverstone Charmed 50C donor. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. She is now generating progeny that command top dollar and completely dominate any arena they walk into. When Charmed was mated to FWLY Can Do, success was the goal and that goal was brought to life with the creation of Ratliff Howboutit 008H ET. She was the high selling female at the Ratliff Cherry Creek sale bringing \$200,000. Today, Ratliff Howboutit 008H herself is generating progeny that are garnering wins across the country and topping the charts time after time for high-seller status. To name a few, SSUL Forever Charmed 4295M ET was the 2024 Maternal Legends Sale \$250,500 high-selling female and was recently named the 2024 North American International Livestock Exposition Reserve Champion Limousin Female for Reid Utterback. SULL Forever Charmed 3557L was the 2024 Tulsa State Fair Grand Champion Limousin Female and Fifth Overall Supreme Owned Female exhibited by Carter Kornegay. SSUL Charmin Forever 3237L was the 2023 Reserve Supreme Heifer at the Hoosier Beef Congress, the 2024 Kentucky Beef Expo Reserve Supreme Female as well as the 2024 VCCP Supreme Female in both rings for Reid Utterback. The 2023 Maternal Legends Sale \$210,000 high-selling female was also a Ratliff Howboutit 008H daughter. Folks, it simply does not get much better than this! Ratliff Howboutit 008H is quickly writing her own chapter in the history book of the famed Riverstone Charmed 50C cow family. Now is your opportunity to choose a mating to this incredible donor female.

A special offering of national championship caliber genetics! ELCX Kings Landing 599D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. The donor female in this mating is ELCX Extra Special 701E. She is a daughter of PVF Insight 0129 and out of the great AUTO Poem 273Y donor. PVF Insight 0129 is the powerhouse SAV Brilliance 8077 son. Her dam, AUTO Poem 273Y is the highly renowned daughter of SAV Bismarck 5682 and the great MAGS Phantoms Prize female. She commanded \$25,000 in the 2022 Edwards Land and Cattle Co. Fall Production Sale. Most notably, her daughter, ELCX Kate 332K was recently named the Grand Champion Limousin Female at the 2024 North American International Livestock Exposition and she was also the Grand Champion Lim-Flex Female at the 2023 National Junior Limousin Show and Congress for Carter Kornegay. Embryos stored at *Lenape Cattle Co.*

The genetics present in these embryos are in large part responsible for revolutionizing the Limousin breed and beyond. Fires Khloe's Flirt 892K ET is a 75% Lim-Flex daughter of TASF Crown Royal 960C ET. Her dam is Ratliffs Flirt 892F ET, a female sired by NMR Maternal Made and out of the legendary Riverstone Charmed donor. Fires Khloe's Flirt 892K ET was purchased for \$51,500 by Sara Sullivan. It's difficult to fully paint the picture of the genetic worth this female comes from and will generate in the future. Two full sisters sold for \$46,000 to Sutton Hennessy and to Taylor Lux for \$15,000. A maternal sister to this female's dam is Ratliff Howboutit 008H, the 2021 Iowa Beef Expo Supreme Champion Breeding Heifer, the 2021 American Royal Grand Champion Limousin Heifer and the 2021 North American International Livestock Exposition Grand Champion Limousin Female and Supreme Champion Junior Breeding Heifer for Sara Sullivan. This incredible female was a past high-selling daughter from the great Riverstone Charmed 50C donor that commanded a six-figure price tag. Fires Khloe's Flirt 892K is phenotypically in a league of her own. Her presence, stoutness and uniqueness of structural build is as high caliber as it gets. Mated with popular Angus A.I. sire Silveiras Style there is little risk with great reward.

The donor female in this mating is Ratliff Purple Heart 0100H ET. She was the 2022 National Junior Limousin Show and Congress Grand Champion Owned Purebred Female for Sara Sullivan. She is a purebred daughter of TASF Crown Royal 960C ET, the son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. Her dam, FWLY Purple Ribbon is a daughter of RL BH Air Force One and out of the great CELL Purple Passion 920U donor. ELCX Kings Landing 599D is one of the highly esteemed bulls at the very top of the breed right now. He is the impressive son of MAGS Xyloid and out of the noteworthy WLR Prada female. WLR Prada is one of the absolute hottest Limousin females in the breed- she has generated numerous national champions across the country. ELCX Kings Landing was the 2016 North American International Livestock Exposition Reserve Grand Champion Bull. Ratliff Killin Time ET is sired by MAYC Gold Buckle 624G and out of the great Riverstone Charmed donor. He is an ultra good structured, high percentage Limousin bull that will add look, front end extension, while keeping a big foot and wide base. He was Grand Champion Limousin Bull at the 2023 and 2024 Cattlemen's Congress in Oklahoma City. This is an offering you simply won't want to pass up!

Lots 40A & 40B sell as one package of four embryos.

A top donor female quickly making her way into the spotlight of the Limousin breed. LFCC It's My Birthright has the combination of pure power on the top and bottom side of her pedigree. This PVF Blacklist 7077 daughter has all the major ingredients infused in her that we look for in an ideal Lim-Flex female. This elite phenotype was recognized with many banners throughout her show career for Claire Sennett, highlighted by being crowned Grand Champion Open Lim-Flex Female at the 2021 NAILE and 4th Overall Owned Lim-Flex Female title at the 2021 NJLSC. Birthright brings her powerful genetics to life with an abundance of muscle, body shape, and long spine with a wedge-shaped maternal front one-third. She passes all these valuable traits to her offspring, and not to forget, running gear as they stand on impeccable feet. Two of these embryos are sired by ELCX Kings Landing 599 D and two are sired TASF Heineken 405H. Don't miss the opportunity to procure these cutting-edge genetics.

Conley Sandy 7350 stands in elite company in the annals of Conley Cattle history. She is the \$90,000 Conley Sandy 7350 donor dam, arguably one of the most incredible females ever produced at Conley Cattle. 7350 offers exemplary udder quality, fleshing ease, and eve appeal with extra mass and dimension. It's safe to say, the 7350 donor is bred for success as measured by the scores of top-selling progeny in recent Conley Cattle sales. Folks, the influence this legendary donor continues to express upon her progeny is without parallel. That said, December 7 marks your opportunity to invest in a genetic opportunity by 7350, mated with ELCX Kings Landing 599 D, the ever-popular son of MAGS Xyloid out of the great WLR Prada female.

PBRS Impressive Charm 1211J ET is an 84% Limousin female sired by FWLY Can Do and out of the legendary Riverstone Charmed donor. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. When Charmed was mated to FWLY Can Do, success was the goal and that goal was brought to life with the creation of Ratliff Howboutit 008H ET. This female was the high selling female at the Ratliff Cherry Creek sale bringing \$200,000 selling to the Sullivan family and has found her success claiming the Supreme Female title at the 2021 Iowa Beef Expo and the Supreme Champion Junior Female at the 2021 North American International Livestock Exposition. PBRS Impressive Charm 1211J ET ranks in the fifth percentile for her weaning weight figure, in the 10th percentile for her yearling weight figure and in the 15th percentile for her milk figure.

He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. SULL Forever Charmed 3557L, a daughter of ELCX Kings Landing 599D ET was recently named Supreme Cow-Calf Pair at the 2024 North American International Livestock Exposition, exhibited by Carter Kornegay. The donor female in this genetic offering is CELL Miss Responder 6078D. She is a proven producer of high-quality AI sires and it doesn't just stop there. This daughter of COLE Absolute 05A is as powerful as any purebred female in the marketplace today. Her dam is from the DHVO Deuce 132R and MAGS Ramada mating. CELL Miss Responder 6078D does do the job effortlessly. She is the dam of CELL History Buff 0245H, AUTO Blaque Blazer 100F and CELL History Maker 0256H. These three AI sires are continuing to make a gigantic splash throughout the Limousin breed and far beyond. Not only has CELL Miss Responder 6078D made a spot for herself in purebred history, she's continuing to produce top tier genetics no matter the mating. This will be a full circle investment that will pay dividends! These three IVF heifer embryos will be 84% Limousin, homozygous black and homozygous polled.

Another incredible mating with notable individuals creating the building blocks. Ratliff Jumpstart 340J is an impact Limousin sire that is out of the immortal Riverstone Charmed. The Limousin breed is on fire due in large part to Jumpstart's legendary dam "Riverstone Charmed" who won Supreme Female in Louisville in 2016. Jumpstart's full sister won Supreme Junior Female in 2021 for Sara Sullivan. The only mother/daughter combo to win the Supreme Junior heifer in Louisville of all time. "Jumpstart" himself was selected Grand Champion Limousin bull at Cattleman's Congress in January 2022 and is destined for more banners and is sure to make a huge impact as a sire. TASF Grey Goose 333G is a 100% Purebred, homozygous polled, black bull. He is sired by the popular TASF Crown Royal 960C and possess the same qualities to live up to his father's legacy. The dam of this mating is PF Forever Princess 9055, a combination of an incredible phenotype and backed by an impressive set of numbers. Her sire PVF Blacklist 9077, is backed by the most prestigious genetics in today's Angus programs.

Guarantee one pregnancy.

Here is an opportunity to procure four sexed heifer embryos out of Royal Kween RBGL 209K. She is a daughter of the 2019 Canadian National Champion, Boss Lake Ms Molly 812F, who has proven herself to be an elite donor female. Most notable maternal siblings to this female are the \$64,000 Royal Jester RBGL 103J and the recent 2024 NWSS Grand Champion Limousin Bull, Royal Knight RBGL 204K. The sire of these embryos is BNWZ Executive Decision 2219, the 2024 American Angus Association Roll of Victory (ROV) Show Bull of the Year, full brother to BNWZ Dignity and BNWZ Paisley, and undefeated 11 Time Breed or Supreme Champion. You will want to have your focus dialed in on this incredible mating because opportunities of this level don't happen often.

Here is quite the genetic offering! ELCX Kings Landing 599D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. SULL Forever Charmed 3557L, a daughter of ELCX Kings Landing 599D ET, was recently named Supreme Cow-Calf Pair at the 2024 North American International Livestock Exposition, exhibited by Carter Kornegay. ELCX Kate 332K ET, a daughter of ELCX Kings Landing 599D ET was the 2023 Grand Champion Limousin Female, exhibited by Carter Kornegay. The donor in this mating is PCC KLS Basil Hayden 1J. She is the impressive daughter of the great RLBH Air Force One. Phenotypically, this female is freak-necked, flawless in her shoulder and great on her feet and legs. She's a head-turner if we've ever seen one! RLBH Air Force One is the once National Champion Lim-Flex bull. The \$70,000 valued dam WLR Eden is a full sib to the popular sire, WLR Final Call and was the 2019 NWSS Grand Champion Lim-Flex Female Junior Show and 2018 Reserve Grand Champion Lim-Flex female Junior and Open Show. WLR Eden ET is the Silveiras Style 9303 daughter that is quite possibly one of the very best cows in the breed today. She is out of the renowned MAGS Phantoms Prize donor female.

You'll want to pay attention here, folks! Five conventional embryos featuring the Wulfs Gameboy C911G x Conley Sandy 7350 mating. Wulfs Gameboy was the \$25,500 high seller at the 2020 Wulf Cattle Opportunity Sale. This fresh pedigreed 80% purebred was purchased by Beus Cattle Co. and Syndicate. He is truly a spectacle of a herd sire and his calf reports are very positive. From a phenotypic standpoint he is big-footed, relaxed in his pasterns, long-striding and one that hits you hard when in motion. Aside from that, study his depth of body, square hip and natural muscle shape. The dam in this exciting mating is Conley Sandy 7350, the \$90,000 donor dam that is arguably one of the most incredible females ever produced at Conley Cattle. 7350 offers exemplary udder quality, fleshing ease, and eve appeal with extra mass and dimension. It's safe to say, the 7350 donor is bred for success as measured by the scores of top-selling progeny in recent Conley Cattle sales. Folks, the influence this legendary donor continues to express upon her progeny is without parallel.

Endless possibilities right here! These three IVF heifer embryos will be 70.5% Lim-Flex, homozygous polled and red. Royal Jester 103J combines a notable pedigree, a balanced EPD profile and eye-catching phenotype. He is a homozygous polled son of the proven HUNT Credentials 37C, who effectively transmits structural soundness, perfect foot conformation, scrotal circumference and breed leading marbling. Credential's progeny have been topping sales across North America, such as the \$40,000 high seller at the 2020 Coleman Limousin Bull Sale. His dam is the 2019 Canadian National Champion Limousin Female, Boss Lake Ms Molly 812F, who is a daughter of the head turning Cottage Lake Border Agent, the 2015 Grand Champion Bull at the Fort Worth Stock Show and Reserve Division Champion at the 2015 National Western Stock Show. This powerhouse impressed many with his mass and muscle coupled with style and eye appeal, unfortunately Border Agent passed unexpectedly with semen inventory in short supply making his genetic influence rare and valuable. The possibilities are truly endless with this female and on the profile PBRS Glo 9291G is powerful through her center body cavity, smooth and feminine in her lines and has the overwhelming cow power to capture the most critical eye. Her milk figure of 25 ranks in the top 15% of the breed.

This one will grab your attention from a mile away. Talk about an eye-catching, show-stopping bull. He is extended through his front one-third, clean in his lines, sound on the move and carries natural rib dimension. His look and pedigree predict his progeny to be weapons in the show ring. He is a son of the Ratliff show heifer who needs no introduction, Riverstone Charmed 50C. His sire is the popular A.I. sire, CJSL Dauntless 6257D whose progeny have dominated the Limousin show circuit. SSTO Kash Money combines some of the most successful cattle in breed history, it doesn't get more predictable than that. These cattle have impressed some of the most reputable cattlemen in the industry for their eye-catching profile and athletic abilities when set into motion. Do not sleep on the opportunity to purchase genetics on this individual. He will do big things for this industry.

Selling Choice

Ladies and gentlemen, the opportunity is yours to an unprecedented financial investment that is certain to be profitable! An embryo flush can be yours from the famed Red Angus donor female, DUFF Red Fox 1997. Unsurpassed is how many describe the pedigree behind the daughters of DUFF Red Fox 1997. Red Fox is sired by the highly popular Red Box and out of a full sister to Blairs Bingo. Red Fox brings power and substance to the table with a Red Angus pedigree that is stacked on both sides. She was the high-selling female in Duff Cattle's 2019 Female sale for \$71,000. She is absolutely stunning on the profile, angular in her design, ultra-attractive in her look and wide at the base of her skeleton. We could write paragraphs describing the caliber of this donor female, but her high quality look will speak for itself. Six Mile John Wick is a sire that needs no introduction and one we have had a lot of success with. He is know to add bone, middle, eye appeal and flawless structure without sacrificing performance. Pie Hollywood is the world record selling Red Angus bull from the spring 2023 bull sale season, selling for \$400,000 valuation. The opportunity to produce high caliber cattle from this embryo flush will position you at the forefront of the industry!

J6 Tempest 149J is a young up-and-coming donor that held a big piece of the puzzle with J6's breeding mission "balance, growth, do-ability, and carcass in a sound structured, eye appealing package that suites multiple types of operations and environments." With that noted, this mating exemplifies all of those traits with one of the most exciting pedigrees produced at J6. This donor is a 3/4 sib to J6 Maxed Out 121G being a direct daughter of the immortal 778T. J6 Sue Ellen 111F is a daughter of Six Mile & Co Jagger 780A, appreciated for his excellent structure and softness of pasterns that transmits to his progeny. These females are mated with PIE Hollywood, who had a record setting appraisal, selling for \$400,000. He is a curve bender when it comes to calving ease, growth and carcass. This is a can't miss opportunity.

What an exceptional opportunity to buy into some high-quality Red Angus genetics! Pie Hollywood is the world record selling Red Angus bull from the spring 2023 bull sale season, selling for a \$400,000 valuation. His record setting appraisal is the result of his combination of curve bending calving ease and growth, breed leading carcass, captivating phenotype and is backed by the renown Abigrace cow family. We appreciate Hollywood for his massive phenotype and you couldn't put a better foot on a Red Angus bull. Here he is mated with two impressive donor females. Calamityjane was a show winner and stand out heifer for the Lodoens L83 ranch in North Dakota that continues to win in the pasture. J6 Tempest 149J is a young up and coming donor that held a big piece of the puzzle with J6's breeding mission. This mating is one of the most exciting pedigrees produced at J6. The opportunity to produce high caliber cattle from an embryo flush will position you at the forefront of the industry!

If you're looking to take your program to a new level, pay close attention! Rojas TR Chivas 17109 is a son of PZC TMAS Firestorm 1800 ET and complemented maternally with the great Kassie 117X cow family. He has a pedigree built to win and will transmit his incredible phenotype to his progeny. He is admired for his ability to sire size, foot quality, length and overall mass. His progeny are heavy muscled, long sided and stout made. The donor female in this mating is TMAS Ms Darlene, the Red Rust North Dakota 27B x Red Blair's Darline 045B daughter that needs no introduction to the breed. It goes without saying that these genetics are the hottest in the country right now and now is your rare opportunity to acquire some of her first progeny!

B/B BRADLEY CATTLE

HANKINS FARMS

A big-time genetic opportunity from Bradley Cattle Co. and Hankins Farms. TMAS Ms Diversion 6701D, has made a name for herself, impressing anyone who lays eyes on her. She is flawless in her design with a pedigree behind her that has proven to be a success multiple times over. Rojas TR Chivas 17109 is a son of PZC TMAS Firestorm 1800 ET and complemented maternally with the great Kassie 117X cow family. He has a pedigree built to win and will transmit his incredible phenotype to this progeny. He is admired for his ability to sire size, foot quality, length and overall mass. His progeny are heavy muscled, long sided and stout made. Genetics that are this valuable are difficult to part with, but even more difficult to acquire! Don't pass up this special opportunity.
