Limousin Friends,

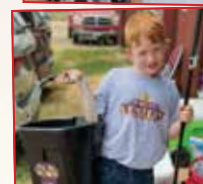

As we all welcome a new year, we at ATAK Limousin would like to welcome you to our first New Year's Resolution Sale. We have always been a farm focused on family. From the incorporation of family into the ATAK name, to the relationships built in the Limousin family, and the inclusion of elite cow families into our herd...family is always front and center!

As you study this catalog take notice we have brought forward the best we have to offer from the heart of our herd. The usage of embryo transplant, AI, and elite sires add to the utilization of the prominent cow families we have built upon here at ATAK to provide quality cattle.

The cattle will be available for viewing at the farm with refreshments throughout the day, and the sale will be conducted at Twisted Too Bar and Grill in Roseville, Illinois, later in the evening. We truly hope to see you in attendance to appraise this quality set of Limousin and Lim-Flex genetics we are proud to offer.

Thank you, and if you are in need of any assistance please contact anyone here at ATAK or our sale management team.

Best wishes,  
Adam Schmalshof

CELL Jaw Dropper hails from two of the most impressive individuals in the Limousin breed. Her sire, CJSL Creed, is a known producer of powerful herd sires and deep, broody daughters. Her dam, AUTO Callie 403D, captured the hearts of many when she was named grand champion at the 2017 All-American Limousin Futurity for Miss Ellie Dill of Missouri, and has gone on to be a solid producer in her own right. The blending of these greats has created the stunning Jaw Dropper female. Her name couldn't be more perfect. She is a beautifully designed 57% Lim-Flex that is double homozygous. Her pedigree is solid from top to bottom providing exciting opportunities that meshes nicely with her numerical profile—double-digit calving-ease direct EPD, a moderate birth weight and top-ranking yearling weight.

The sire of this mating represents two of the most popular and progressive bloodlines in the business today. The wildy popular FWLY Can Do back on the legendary Riverstone Charmed resulted in a home run with Jump Start. Ratliff Jump Start 340J is an impact sire whose full sister won the Supreme Junior Female title in 2021 for Sara Sullivan. Ratliff Jump Start 340J himself was selected Grand Champion Limousin bull at the 2022 Cattleman's Congress.

The sire of this mating is without a doubt the most popular herd sire prospect of 2022 and the interest in him has carried through to the new year. After selling for a whopping \$110,000 at the 2022 Night On The Town sale, a drove of breeders stepped up to purchase another \$30,000 worth of semen packages on this full brother to TASF Heineken 405H. Keystone is big-footed, relaxed in his pasterns, long-striding and square hipped with plenty of natural muscle.

MAGS Jocote is a 50% Lim-Flex from the S A V Rainfall Angus sire and out of AHCC Miss While. This homozygous polled female is young in her donor career and the prospects we have for her are exciting to say the least. We love her capacious rib design blended with her strong top and sound set of feet and legs. She offers a sound numerical profile making her a dream to mate.

Needing a ruler of the pasture? Then you're going to want to study ATAK Kingdom. This 50% Lim-Flex is double homozygous and by the big-numbered TNGC Empire and out of the MAGS Bethany donor. As you study his numerical profile that is strong in growth, docility and carcass traits, you'll make the correct decision to load him up sale day. He is a full brother to ATAK King who is coming up next.
