AUTO Fly Girl 252F is soaring high after her Division win at the 2018 American Royal. This fancy little lady will stop you in your tacks with her stellar look and style. When you study her pedigree, you can't miss the fact that her dam, AUTO Luckie Too, garnered many banners in her show career. But the more important fact is, she is a machine in production. Some of her noted progeny are son, AUTO Sure Deal who is working in the TLC Ranch program in Georgia; AUTO Real Deal, a leading sire at Begert Ranch in Texas; and AUTO Camilla, who won the 2016 NAILE open show for Dominique Ruppert of Illinois. Fly Girl's sire, MAGS Aviator, has been burning up the pastures with his offspring and they are turning heads on the tan bark. Fly Girl is entered in the 2018 National Western Stock Show.
