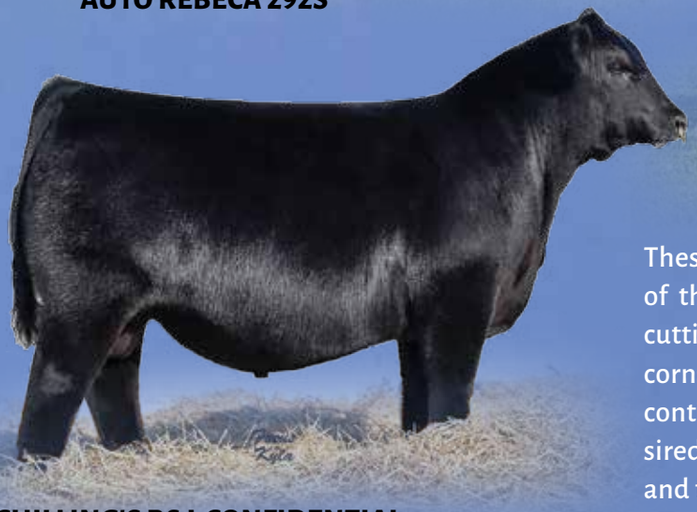
December 5, 2020 • 1 p.m.

Fort Worth, Texas

AUTO REBECA 292S

COLBURN PRIMO 5153
Sire of 4 ET Heifer Calves



SCHILLING'S R&L CONFIDENTIAL
Sire of 3 ET Heifer Calves

These homozygous black, homozygous polled, 37% Lim-Flex daughters of the legendary Limousin donor, AUTO Rebeca 292S, represent the cutting edge of Lim-Flex genetics. Rebeca, the renowned, can't miss, cornerstone donor of the esteemed Pinegar Limousin program, continues to produce at the highest level possible. These heifer calves are sired by the always consistent Angus sire of champions Colburn Primo, and the up-and-coming Angus AI sire, Schilling's R&L Confidential. Not only do these calves have the look and structural integrity to compete at the highest level, they will no doubt go on to become prolific producers, building upon their already proud heritage.

Selection to be made by February 1, 2021
