Denver, CO

AUTO DANA 265D

TASF CROWN ROYAL

### HEIFER PREGNANCY

TASF Crown Royal x AUTO Dana  
Due 2.16.20 / HP / HB / 77%  
BW: 2.6 WW: 75 YW: 112 MK: 15 DC: 9 MB: -.12

This future heifer's dam, AUTO Dana, is the 2018 Denver National Limousin Jr. Show grand champion female for Ben Spencer and J6 Farms. She recently topped the "Night on the Town" II Sale in Las Vegas where half interest sold for \$19,000 to P Bar S Ranch. This heifer is sired by the national champion purebred bull, TASF Crown Royal, whose calves have been the hottest commodity the last couple of years.

AUTO ZOFIA

RIVERSTONE CROWN ROYAL

### HEIFER PREGNANCY

Riverstone Crown Royal x AUTO Zofia  
Due 2.16.20 / DP / DB / Purebred  
BW: 2.1 WW: 52 YW: 78 MK: 25 DC: 13 MB: -.31

This future heifer is from AUTO Zofia, the \$50,000-valued donor who headlines the J6 Farms program. She is a daughter of MAGS Xyloid, the once All-American Futurity Supreme Champion Bull. Her dam is the legendary MAGS Manuela who is deceased. AUTO Zofia is a full sib to once national junior heifer show champion female, SBLX Znote. This heifer is sired by the highly syndicated Riverstone Crown Royal, the purebred son of TMCK Durham Wheat. He of course is a full sib to the popular Riverstone Charmed female is working in the Ratliff and Stowers programs.

Don't pass up this opportunity to own some of the most sought-after genetics in the business. These are the kind of genetics that can pay dividends to your program for years to come.
