What a true sale highlight here, everybody! KLS Farms, Inc. of Chatham, Louisiana have consigned three sexed female embryos from the highly anticipated Conley Dieckmann Prowess x AUTO Fedora 222F mating. Conley Dieckmann Prowess was the pick of the 2019 Conley Express sons. Prowess offers a world of mating flexibility with an outcross dam and comes from a known pedigree of success. The dam in this mating is AUTO Fedora 222F, the daughter of TMCK Durham Wheat and the infamous WLR Prada female. AUTO Fedora 222F has been mated to high profile AI sires including Colburn Primo, Silveiras Style, Schilling's R&L Confidential and CJS� Dauntless. The hype for this new mating to the impressive Conley Dieckmann Prowess is real and will remain the talk of the town for quite some time. The unmatched genetic potential present in these embryos will completely blow your mind. These sexed female embryos will be 46.5% Lim-Flex, homozygous black and double polled.

Consigned by KLS Farms, Inc., Chatham, LA
