This mating will be something special. MAGS Blind Date is an extraordinary female, that has a beautiful pattern paired with impressive numbers worth studying, ranking in the top 1% for both weaning weight and yearling weight, top 5% total maternal, top 2% marbling and top 1% mainstream terminal index. ELCX Kings Landing 599D ET is another individual with a stunning presence in the Limousin breed. He was the 2018 North American International Livestock Exposition Grand Champion Bull exhibited by Edwards Land & Cattle, White Valley and Wies Limousin Ranch. He is a double homozygous son of MAGS Xyloid and out of the one and only WLR Prada donor female. This mating will be a great opportunity to find out what this blend of elite genetics will do for you!
