Grassroots Genetics sits in the center of the country and the center of the Limousin breed with a huge selection of Limousin and Lim-Flex genetics. We have more than 40 years in the Limousin business and feel our experience can make it easier for you to advance your program with minimum hassle. Shipping gets higher all the time, but with our large selection of bulls, you can pick and choose your genetics and we can get it to you, in OUR tanks, in a timely manner.

If you want to talk bulls, or the Limousin business, we are always ready to get you the information you need to make valuable breeding decisions. If you need to split up your selections, we can do that, or if you want to work with your neighbor, we can put it all in one tank and split the costs for you. We've been selling semen for 31 years; we know the ins and outs from all angles. You have enough drama in your life, let us make ordering and receiving top flight genetics a one stop shop.

We are proud to be working with Liberty Mutual with Full Mortality Livestock Insurance Coverage. If you want to mitigate the risk of a new herd bull or show heifer, give us a call and we can work you through the process. It's simple and effective to cover your genetic purchases.

Please visit www.grassrootsgenetics.com for more information and easy bull comparison. Give us a call, we want to be your one stop supplier.
