Here is your chance at some choice genetics from a daughter of the foundation donor JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y, the 2014 National Western Stock Show Champion Bull. These future calves are sure to be a major force to be reckoned with. Buy into these genetics and catapult your program to the next level.
