TRUCKING: Will be available on site to haul any purchases out the day of the sale. To make prior arrangements, feel free to call R&R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

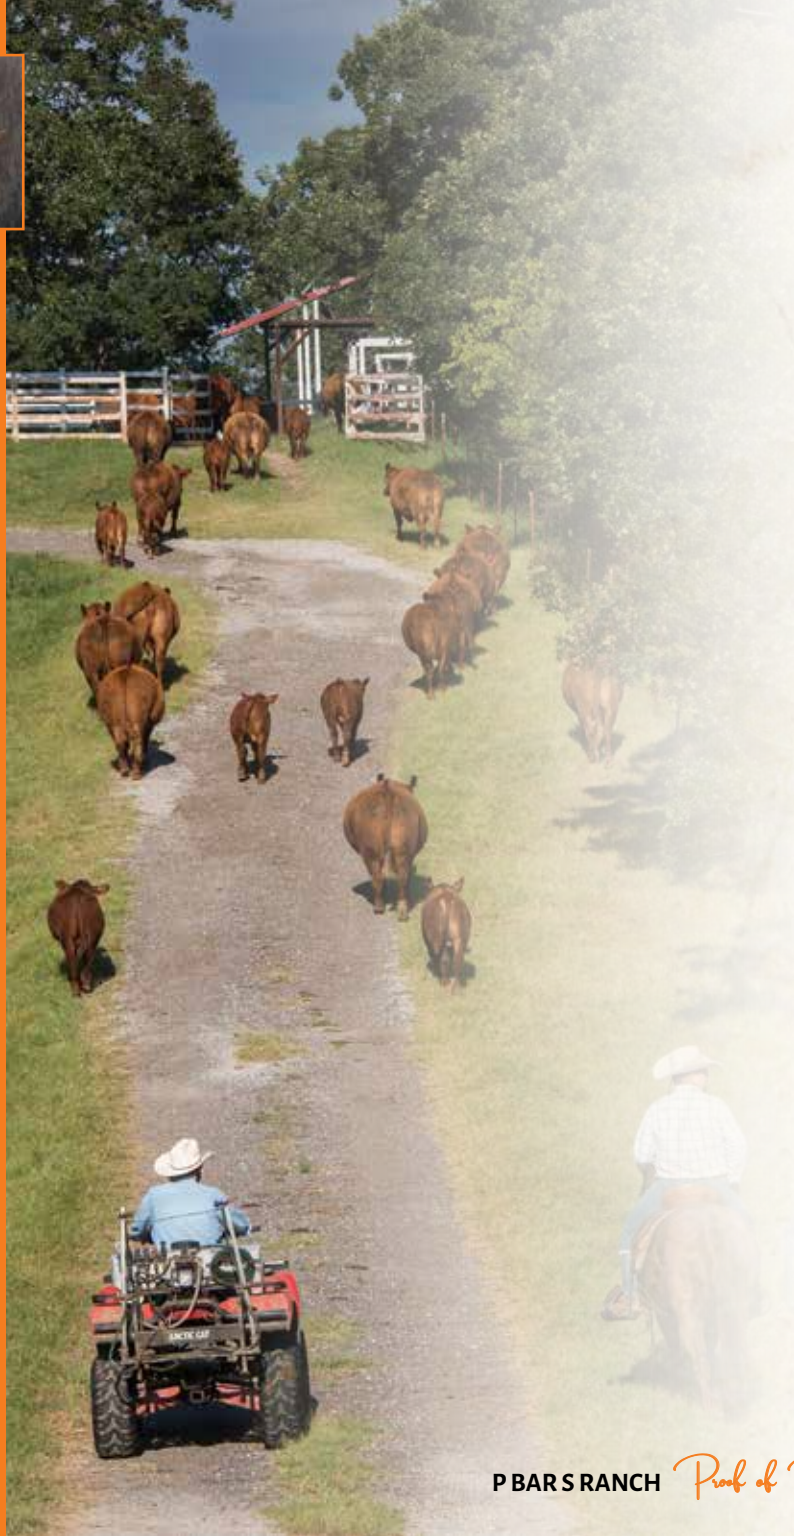

PAYMENT: All cattle must be paid for immediately following the conclusion of the sale unless prior payment arrangements have been made with R&R Marketing Co. at 615.330.2735. R&R Marketing accepts payment by credit cards with a 3% convenience fee.

ANNOUNCEMENTS: Announcements made sale day by the owners, auctioneers or sale management take precedence over statements in this catalog.

SALE ORDER & SUPPLEMENTAL INFO: Sale order and supplement sheet information will be posted Saturday, October 30 at www.RRMktg.com.

TERMS & CONDITIONS: Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who visit the ranch do so at their own risk. Neither the sale manager nor P Bar S assume liability, legal or otherwise for, any accidents which may occur.

Dear Limousin Friends,

My how times flies as we approach our 16th annual “Proof Of Progress” production sale. As we celebrate more than 25 years in the registered Limousin business we realize the friendships and fellow breeders we have met over those years mean the most to us.

We are quick to realize that the people that make up the team at P Bar S Ranch are just as valuable as the cattle. We are proud to have Elgin Elmore as general manager along with his very able crew of Derik Frazier and Gus.

The Little Ranch with THE Big Genetics was designed to be a source of the finest registered seedstock in the business. We want and desire for each and every client that purchases a PBRs-bred animal to appreciate the many years and resources we have put into creating the product. Our goal is for these cattle to go into the new buyer's herd and enhance their programs in the very best way possible. We hope that as you view this catalog you will appreciate the offering as much as we do.

This year's offering includes the best from our Limousin, Lim-Flex, Red Angus and Angus herds. Please do not hesitate to contact any member of the ranch or sale team with any questions you may have. Thank you for joining us. We look forward to seeing you October 31.

Sincerely,

Paul Sisemore
P Bar S Ranch

 PBRs 9194G is a 75% Lim-Flex daughter of the highly renowned Cottage Lake Border Agent. Her dam is SSTO Above The Rest 349A, a female sired by Connealy Lead On and out of the legendary MAGS Manuela female. She ranks in the 30th percentile for her milk figure. This female is smooth in her shoulder, attractive through her front one third and gorgeous on the profile. Couple this with her added depth of body and rib, structural integrity and attractive design, you get a female built to last. This female has a solid foundation of lineage to keep the pedal to the metal during her time in production.

PE'd 05.16.21 to 08.15.21 to MAGS Good Will 130G (43% HP/HB son of AHCC Dakota Thunder)

PBRS Half Sister 074H is a 43% Lim-Flex daughter of Colburn Primo 5153. Her dam is SLKF Sister Act 1322, a female sired by DJ Xplosive, a son of DHVO Deuce 132R. This female reads with balance, cow power and overall longevity. Her dam, as well as four of her flushmate sisters, have enjoyed tremendous show ring success across the country. She is the type of female that can refresh a cow herd and inject maternal influence and power. PBRS Half Sister 074H has a potent genetic profile and will complement any program well. She is homozygous polled.

PBRS Heat 0154H is a daughter of AAR Ten X 7008SA out of SBLX Znote, a daughter of MAGS Xyloid and MAGS Manuela. She ranks in the 15th percentile for both her birthweight and marbling figures. Folks, a Lim-Flex pedigree doesn't get more elite than this female's. She's deep sided, long in her spine and expressively muscled. On the move, she takes a large, confident stride with added flexibility off both ends. This is an exciting donor prospect and we are confident you'll be pleased with the profitability and marketability this female will bring to your program.

PE'd 04.21.21 to 08.10.21 to J6 Jagger 120G (Son of Six Mile & Co Jagger 780A)

PBRS 9304G is a 50% Lim-Flex daughter of the great MAGSWL Usual Suspect 538U. Her dam is CRSL Dixie, a female sired by Red Northline Jesse James. This female ranks in the 30th percentile for her milk figure. If you're searching for a female to increase the maternal influence within your program, PBRS 9304G is the one for you. Not only is this female neat in her lines, structurally correct and flexible off both ends of her skeleton, she's feminine in her design. She is homozygous polled.

She is currently registered with NALF, and is eligible for registration at the American Red Angus Association.

PBRS Maxed Out 096 is a son of WEBR Maxed Out 627, the Bieber Rollin Deep Y118 bull. This bull's dam is none other than the great J6 Tempest B300 donor. She is the daughter of WEBR TC Card Shark and out of the famous SLGN Stony's Tempest 778T female. On paper this bull ranks in the 22nd percentile for his milk figure, in the 31st percentile for his yearling weight and in the 32nd percentile for his weaning weight figure. When a herd sire prospect looks this darn impressive on paper and then even more so phenotypically we consider it a home run! This bull is good structure, attractive patterned and comes from some of the Red Angus breed's most elite cow families. We admire this bull's dimension, natural thickness and overall build.
