Comments From Sale Management

Cattle Enthusiasts,

It is with much excitement and anticipation that all of us at R&R Marketing Company welcome you to the Night on the Town Sale. As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this industry and wanted to create a sale that celebrated everything that is good about the business...the people and the product! When Kiley and myself started this venture, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more then ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing this industry the way that it should be!

Thanks in advance,

Randall O. Ratliff
R&R Marketing Company

Cattle Friends,

In the time I have spent assisting seedstock producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the industry could and should be proud of. The goal of Randy and myself in creating "A Night On The Town" was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has all the makings of a "can't miss" event for years to come.

As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite." From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the 43 lots presented here are "the best of the best."

It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Vegas!

Sincerely,

Kiley McKinna
MC Marketing Management

General Sale Information

SALE ORDER ...
Cattle sell in catalog order. Any additions and corrections to the sale catalog will be posted the evening prior to the sale at RRMktg.com and MCMarketingManagement.com.

ANNOUNCEMENTS ...
Announcements made sale day by the owners, auctioneer or sale management take precedence over statements in the sale catalog.

PAYMENT ...
All lots must be paid for at the time of the sale unless prior arrangements have been made. Auction proceeds will be conducted under Randall O. Ratliff dba R&R Marketing, P.O. Box 60097, Nashville, TN 37206. Bond # 7901027402 (USDA, Grain Inspection, Packers and Stockyards Administration Packers and Stockyards Program)

TRANSFERS ...
Consignors are responsible for registration and transfer of lots after settlement.

INSURANCE ...
Insurance will be available sale day through Grassroots Genetics, 515.229.5227.

TERMS AND CONDITIONS ...
Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. Please note; The sale manager is an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor the sale consigners assume liability. Legal and/or otherwise on any accidents that may occur.

Cattle sell in accordance with their respective breed associations.
EPDs current as of November 18, 2021.

PLATINUM SPONSOR

WILDER FAMILY LIMOUSIN

Since 1912, the Wilder family has been farming and ranching in Snook, Texas, just outside of Bryan/College Station. Until 1982, the Wilder family primarily relied on farming as the dominant business. Fourth generation partner, Jay Wilder, expanded the horizon of the family farm by showing and investing in Limousin cattle.

Wilder Family Limousin runs approximately 100 head of purebred and Lim-Flex Cattle. They also run a large commercial cow operation in conjunction with the registered cattle. In the farming operation they grow cotton, grain sorghum, wheat and soybeans. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers.

Jay, the fourth generation partner in the operation today, is a 1993 graduate of Texas A&M University. In 1994, he and Molly married. In 1996, the fifth generation, Jayce, and twin brother, Spencer, were born. Molly is a 1993 graduate of Texas A&M as well. Currently she teaches 2nd grade for Bryan ISD. When she retires she will become more hands on with the day-to-day operations.

Throughout Jayce and Spencer's show career they have been very successful. They have shown on the local (Brazos Co.), state (Fort Worth, San Antonio, Houston and Texas Limousin Field Day) and national levels (National Western and National Junior Limousin Shows & Congress). The brothers graduated from Texas A&M University and returned home to the farm and ranch.

Jay has been active with the Texas Limousin Association, serving on the board of directors for many years, including a term as the organization's president. He is currently a member of the NALF Board of Directors.

Wilder lots selling include: 26 & 37

PLATINUM SPONSOR

DAVIS RANCHES

Davis Ranches is led by a Texas family devoted to faith, family and Limousin cattle. Nestled in the heart of central Texas right outside the city of Brownwood, Brad, Traci and Blair Davis are the essence of true passion for the Limousin breed. Established in 1984, Davis Ranches began with three head Brad purchased with profits from his show steer. Today, they run more than 150 registered Limousin and Lim-Flex cattle.

A common denominator throughout every aspect of the Davis' lives and cattle business are the people they've surrounded themselves with. An early mentor to Brad was Jack Stepp, the manager at M&L Limousin in the 1980s. Another pivotal influence for Brad and Davis Ranches is the late Ed Pinegar, founder of Pinegar Limousin. Brad and Ed partnered on several cows together and their working relationship evolved into a phenomenal friendship.

Brad considers one of his greatest achievements in life to be the people he works with on a daily basis. Brad's daughter Blair returned to the ranch last May after graduating college and Brad believes it to be a monumental blessing. Blair grew up showing Limousin cattle on the county, state and national levels.

Another blessing for Brad and Davis Ranches is Corey Sanchez. Brad knew he had something special in Corey as a high schooler working at the ranch. Twelve years later, Corey became the Davis Ranch manager and together with his wife, Stefanie, they moved to Brownwood in 2017. Corey is an integral force behind what Davis Ranches has become today.

Everything the ranch has done and continues to do has surpassed any goal Brad ever had. Brad loves the young people and the show ring. "It's important for me to befriend as many people as I can and have some good cattle for them to show, that's why we do what we do. If I make a difference to one kid, this is all worth it," Brad said.

A Night on the Town Sale IV

SATURDAY,
DECEMBER 11, 2021
DA VINCI ROOM • 1 PM PST
BELLAGIO HOTEL & CASINO • LAS VEGAS, NV

On behalf of each and every consignor we appreciate your interest in the offering assembled for the "A Night On The Town Sale."

We could think of no more fitting venue for an event of such industry importance than the Bellagio Hotel & Casino in Las Vegas, Nevada. The goal of this sale was to assemble a truly unique set of elite genetics from leading producers across the continent.

The overwhelming response received by both consignors and potential buyers has been tremendous. We would like to congratulate everyone involved in this sale for working as a team to make this a sale one we can celebrate the best the industry has to offer.

We are proud to present this offering to you and feel this sale has all the makings of a "can't miss" event for years to come. As you study this sale book, it will become evident that breeder's dug deep into their genetic arsenals to offer seedstock that are truly worthy of such a prestigious event—the 43 lots presented here are "the best of the best."

Please contact any member of the marketing team with any questions you may have.

We hope to see you in Vegas!

Rank	60	50	45	40	10	25	15	70	90	10	85	10	20

Sellling full possession and three-quarter semen interest.

What an exceptional way to lead off this prestigious event! Royal Jester 103J combines a notable pedigree, a balanced EPD profile and eye catching phenotype. He is a homozygous polled son of the proven HUNT Credentials 37C, who effectively transmits structural soundness, perfect foot conformation, scrotal circumference and breed leading marbling. Credential's progeny have been topping sales across North America, such as the $40,000 high seller at the 2020 Coleman Limousin Bull Sale. His dam is the 2019 Canadian National Champion Limousin Female, Boss Lake Ms Molly 812F, who is a daughter of the head turning Cottage Lake Border Agent, the 2015 Grand Champion Bull at the Fort Worth Stock Show and Reserve Division Champion at the 2015 National Western Stock Show. This powerhouse impressed many with his mass and muscle coupled with style and eye appeal, unfortunately Border Agent passed unexpectedly with semen inventory in short supply making his genetic influence rare and valuable. Her dam, AUTO Olga 498A, was procured from the elite Pinegar Limousin herd. This female is a lead donor at Boss Lake Genetics and continues to raise some of the best Purebred Limousin cattle in North America. Power is in the blood for Boss Lake Ms Molly 812F, with her flushmate sister also having a storied show ring career. Boss Lake Ms Molly 814F was a many time champion in western Canada, highlighted by her 2019 Top Five Supreme victory at Farmfair International. Boss Lake Ms Molly 812F has captured the attention of many astute cattlemen on both sides of the border due to her unique combination of athleticism, bone, power and mass, while maintaining an ultra feminine look. She has made the transition from the show ring to production seamlessly. Her first calf was Royal Holly 005H. This full sib to Royal Jester 103J was retained in the Royal herd and her future as a foundation female/donor is anticipated. This genetic combination has created a truly unique individual. Royal Jester 103J has been an absolute standout since birth. He combines so many good pieces into such an alluring phenotype. From the ground up he is stout in his bone work with added angularity to his skeletal design. He is genuine in his muscle shape and dimension with a practical build. What makes this purebred herd sire prospect different from the rest is his foot and leg design. He tracks with a long, comfortable stride and sets down onto a big foot with impressive pastern flexibility. On paper he has numbers worth studying, highlighted by his top 5% gestation, top 10% milk, top 10% total maternal, top 15% scrotal circumference, top 10% carcass weight, top 10% marbling and top 20% mainstream terminal index. Royal Jester 103J is a high percentage purebred that qualifies for International Herdbooks. He is a head turner that can get the job done phenotypically and genetically. History is waiting to be written with this praiseworthy herd sire prospect.

Selling a guarantee of 6 with maximum 10 embryos.
Due to calve in February 2022.
Buyer pays flush expenses.

Here is a unique opportunity to purchase an IVF cycle on Boss Lake Ms Molly 812F, the dam of the lead lot of this event, Royal Jester 103J! She was the top-selling Limousin lot from the 2018 Boss Lake Elite Heifer Sale, who went on to claim the title of 2019 Canadian National Champion Limousin Female. She has made the transition from the show ring to production seamlessly. Her first calf was Royal Holly 005H a full sib to Royal Jester 103J retained in the Royal herd. Her second calf, Royal Jester 103J, is a highly anticipated herd sire that is waiting to fill the history books. Ms Molly demands attention no matter which side of the border she resides due to her uncommon mix of power and grace. Her dam, AUTO Olga 498A, is a prolific donor at Boss Lake and was procured from the Pinegar Limousin herd. The influence of Cottage Lake Border Agent is in high demand due to his limited semen availability. The last time a flush was consigned for public evaluation was in 2019 at the 50th Anniversary Canadian National Limousin Sale were it was the top-selling genetic lot going to Torgerson Farms. Proven to transmit greatness, Boss Lake Ms. Molly 812F is capable of producing calves that will excel in a variety of programs from various mating decisions. Whatever paternal influence you chose, the product will be highly marketable and ultra competitive. It gets said too often, but this is truly an opportunity with very little risk, yet great rewards.

Due 01.17.22 with a heifer calf by Something About Mary (Simmental)

Now is your time to get on the map with this offering! Elite cow families line this female's pedigree top and bottom. WLR Eden was the 2019 National Western Stock Show Grand Champion Limousin Female exhibited by Sara Sullivan. She is the Silveiras Style 9303 daughter that is quite possibly one of the very best cows in the breed today. She is out of the renowned MAGS Phantoms Prize donor female. She is due with calf in January to the ever popular Something About Mary Simmental bull. The influence of this superior female will be everlasting within the LImousin breed and far beyond. Sullivan Farms of Dunlap, Iowa, is selling 50% embryo interest and full possession of WLR Eden. Davis Ranches owns 50% embryo interest. WLR Eden's unparalleled look of quality, design and genuine power makes her a versatile producer of both bull and heifer progeny that are capable of producing at the highest level.

Due 12.10.21 to Peace of Mind (Maine)

TASF Hidden Treasure 401H is a daughter of EXAR Classen 1422B. He is the Dameron First Class son known by all industry wide for his superior genetic influence and worth. Her dam is AUTO Peyton 206Y, a daughter of DHVO Trey 133R and out of the legendary Carrousels Pina Colada female. She is a double homozygous 50% Lim-Flex female. TASF Hidden Treasure 401H is without a doubt one of the most exciting young females in the business, plain and simple. Her mass, dimension and symmetry are second-to-none. She is a phenotypically flawless individual that has the credentials to generate high dollar show females and elite herd sire prospects. Invest with extreme confidence in this beautiful female.

Safe to MAGS Yip, due 1/31/22.

Selling full interest and full possession.
Seller reserves the right to a flush or eight embryos at buyer's convenience and seller's expense.

This female is one to get excited about. Talk about an eye catching, maternal, productive designed female. She is extended though her front one third, clean in her lines, sound on the move and carries natural rib dimension. She is a daughter of the great MAGS Ali, the ever popular son of Connealy Consensus 7229. Her donor dam is out of the extremely successful LLJB Absolute Style 3056A, a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. The results of the Ali x Absolute Style mating will live in the Limousin history books for a long time, with many other notable progeny that are a product of this great pairing. Examples include the high-selling bull in the 2020 Business Done Right Bull Sale, CELL Freedom 8208F, and CELL Fascination 8231F, the top seller in the 2018 Fall Harvest Sale commanding $80,000 from Sara Sullivan of Dunlap, IA and the dam to the recent $105,000 high seller at the 2021 Linhart Fall Harvest sale. MAGS 1607H is a head turning female you'll want to have in your possession.

Sells safe to COLE Genesis. Due 2/1/22

Selling full interest and full possession. Seller reserves the right to a flush or eight embryos at buyer's convenience and seller's expense.

This female has all the pieces to be the next great foundation donor in your program. She is ultra feminine, level topped, bold sprung and fundamentally correct. Sired by the popular MAGS Cable who consistently transmits eye catching phenotypes that don't sacrifice real world values. Her dam is the MAGS Bethany donor, a EXAR Upshot 0562B daughter out of AUTO Carminda 6562. We feel she will make her impression in someone's operation. This female has a lot of positives going for her in the flesh and on paper. All we can say is you better be prepared to have your hand in the air or have one of our sale consultants on speed dial! This female is homozygous polled, homozygous black and ready for her residency in the donor pen.

Look here folks, females like this aren't made every day and when they hit the ground it's with high anticipation that they'll mature into a fault-free silhouette just as this female has. We simply cannot say enough about the quality, phenotype and eliteness present in this female. She is gorgeous fronted, incredibly well balanced from end to end and she's phenomenal on the move. Study this female and find natural muscle expression paired with rib dimension. What a powerful open female with added depth of pedigree. Her sire is the proven PVF Blacklist 7077, a young AI sire out of PVF Insight 0129 who has made his mark in the Angus herdbook for his ability to produce progeny that are respected by cattleman across North America. Her dam, PF Forever Lady 105E, is a foundation female in our program and continues to amaze us with the offspring she has gifted to our program. She is a product of the great Leachman Saugahatchee 3000C out of the great Lazy H Bar Forever Lady 5001 donor. This genetic combination has created a female that is stout in her build, attractive from the profile and reads with longevity and breeding versatility. We are confident this female will have a bright show career and an even brighter career in production! She's a head turner that can get the job done phenotypically and genetically.

They always say it's difficult to part with the good ones and boy does that ring true with this female for us. DL Janessa 644J is a 64% Lim-Flex daughter of Alter Ego, the legendary EF Xcessive Force son. Her dam is RVF Ellie 777E, a daughter of MAGS Aviator out of a DHVO Deuce 132R female, PBRS Widow Woman 209W. We admire this female's heaviness of bone, foot size and fluidity of movement. When she stops on the profile she's equally as impressive. She is so good in terms of her overall design, with unique balance from all angles and cow power. This is the type of female that will get the job done and still leave you in awe. She will earn a high ranking in one program as an elite donor female and we are confident her offspring will follow closely in her footsteps. This female is homozygous polled and double black.

Looking to spice up your battery of females? DL Justine 654J will do just that and leave you speechless! DL Justine 654J is a double homozygous daughter of the great ELCX Kings Landing 599D ET, the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. Her dam is SSTO Belinda 462B, a daughter of GPFF Blaque Rulon and from the one and only BOHI Red Robin 282R female. BOHI Red Robin 282R made history as the very first grand champion Lim-Flex female in the Limousin breed. SSTO Belinda 462B has been a featured donor in our program for many years and we always fall in love with her offspring. SSTO Belinda 462B represents one of the most powerful matings in the Limousin breed and this female exemplifies exactly what a purebred female should be. Phenotypically, DL Justine 654J is as good as any purebred female on the market today. She is put together like no other—she has a big swoop to her center body, she's accurate in her stride and blends nicely from her shoulder back into her top. This is a female you won't want to look past simply for her value as an elite future donor prospect. DL Justine 654J is a purebred female you'll want to consider adding to your program or else you'll be saying you wish you had!

Pay close attention to this elite heifer pregnancy! The mating of HSF Your Fantasy and SCC SCH 24 Karat 838 is about to set the world on fire. It's absolutely no secret what the HSF Your Fantasy cow family has done over the past few years within this breed for numerous programs. HSF Your Fantasy progeny have completely dominated the show ring and far beyond. She is the dam of the famed 'Ratliff heifer', Riverstone Charmed, known as Larissa who set the show ring on fire in 2016. She is also the dam of the great Riverstone Crown Royal bull. HSF Your Fantasy has become known as one of the breed's most notable purebred donors. Most recently, her granddaughter, Ratliff Howboutit 008H, was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. SCC SCH 24 Karat 838 is one of the hottest Angus bulls on the market today. Both his sire and dam are National Champions, so winning genetics are bred into his pedigree for generations back. This heifer pregnancy will be 45% Lim-Flex, double polled and double black. Folks, this heifer pregnancy is bred in the purple, so don't miss this rare opportunity to obtain these elite genetics.

Embryo heifer calf sells with her black commercial recipient located in Chatham, LA.

LOT 11A: Heifer born 11.15.21. BW: 75 lbs.
Riverstone Lucky Charm 50F is a full sister to the famed Riverstone Charmed 'Ratliff heifer'. The one single mating that has taken the cattle business like a world wind is the blending of Silveiras Style back on Riverstone Charmed 50C. There are so many championship honors by the select few that were lucky enough to have them that they are too numerous to mention. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. Style's progeny have claimed more championship titles over a nine year period than any other bull out there and there is something special when he is mated to 50C and now we believe the same is true as he has been mated to her full sister Riverstone Lucky Charm 50F. The Sullivan Farms and KLS Farms donor female in this mating is Riverstone Lucky Charm 50F, a full sister in blood to the one and only Riverstone Charmed 50C. She is the "One" female that has won too many show titles to mention and the show heifer known as "Larissa." She is sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. The heifer pregnancy selling will be a full sister IN BLOOD to some of the finest Lim-Flex cattle ever created in the breed!

Planned Matings

Due 2.14.22. Recipients are commercial black females located near Adair, OK

Holy smokes, these are two planned matings you'll want to get your hands on immediately! After such an impressive Louisville Supreme Champion Female win, the FWLY Can Do daughter, Ratliff Howboutit 008H, has once again increased visibility of the Limousin breed, but especially FWLY Can Do himself. What an exciting genetic combination this mating is! The dam in this mating is MAGS Bahama Mama, a granddaughter of OCC Emblazon 854E. Her dam is AUTO Carminda 656S, a JCL Lodestar daughter. FWLY Can Do is the highly sought after son of RLBH Air Force One and CLLL Crystal 334W, a WLR Direct Hit daughter. FWLY Can Do is completely dominating show rings across the country. He is known for advancing structure, style and impeccable power in his females. Most recently FWLY Can Do sired the impressive Ratliff Howboutit 008H female, who was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. It goes without saying that breeders across the nation will be high tailing it to get their hands on anything that has FWLY Can Do in the pedigree, so take this rare opportunity to acquire a planned mating that will be the talk of the town! These planned matings will result in offspring that are 59% Lim-Flex, homozygous black and double polled.

Selling pick of 2 heifer calves at weaning.

This pick of two heifer calves from the great WLR Eden ET female is an extraordinary chance to add proven, first-class genetics to your program. She was the 2019 NWSS Grand Champion Junior Show Lim-Flex Female and the 2018 Reserve Grand Champion Lim-Flex female in both the Junior and Open shows. WLR Eden ET is the Silveiras Style 9303 daughter that is quite possibly one of the very best cows in the breed today. She is out of the renowned MAGS Phantoms Prize donor female. The sire of these two unique females is none other than the great Riverstone Crown Royal, who has impressed many by the quality of his progeny. The potential is truly endless with these two females.

Buyer pays flush expenses.

A very exclusive opportunity to procure genetics from one of the most prolific, proven and profitable cow families in the history of the Angus breed! It's hard to know where to start when describing the "Donna" cow family's lasting impact upon the Angus breed and scores of breeding programs across North America. That said, on offer for your appreciated appraisal is the right to flush Coleman Donna 504 to the bull of the buyer's choosing! Folks, these lots not only epitomize genetic predictability but, the stature and prowess of the Coleman Angus program! The "504" cow is simply a breeding masterpiece - she has been a standout since birth and is the youngest direct daughter of "714" ever flushed in the history of the storied Coleman Angus program. To quote Larry Coleman direct, "point blank, we feel 504 has as much potential as any female we have ever raised." The profoundness within that statement is worthy of your consideration. This is a direct daughter of the legendary "Donna 714" cow that has single handily been responsible for generating north of $3,000,000 in progeny to date, which includes the $900,000 valued Montana record-setting bull Coleman Bravo 6313. The bottom-line is, the opportunity to invest in cow family that's help set the Angus breed's standard is rare.

COLEMAN TRIUMPH 9145, SIRE OF LOT 16A

Don't miss this powerful genetic combination—the beautiful Coleman Donna 504 female mated to Coleman Triumph 9145, the $225,000 half-interest, top-selling bull in the 2020 Coleman Angus Female Sale to Rust Mountain View Ranch of North Dakota and the Triumph Syndicate. He is the remarkable son of Coleman Bravo 6313 and the great Lawsons Chloe C815 female. Coleman Bravo 6313 is the Coleman Charlo 0256 son out of the highly productive Coleman Donna 714 female. His parents are two of the best individuals to come out of the Coleman Angus program. Bravo is a genetic masterpiece. He is a result of genetics that have stood the 'test of time' for years. He is one of the absolute hottest sires industry wide and was the $450,000 top seller in the 2018 Coleman Angus Sale. Lawsons Chloe C815 needs no introduction- she was the lead-off female and top-seller of the 2017 Lawson Family Farms sale purchased by Coleman Angus.

Selling First Right To Flush. Buyer pays flush expenses. Guarantee of 6 embryos with no maximum.

This female is ultra-complete and it's a total understatement when we say she's wicked good. Wulfs Hadith 0017H was the top-selling live lot in the 2021 Sale of Sales held in conjunction with NJLSC. She is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cow power to the max. She's loaded with overall dimension, expressive muscle shape and a killer presence. On the move she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. Aside from her phenotypical advantageous, numerically Wulfs Hadith 0017H has breed-leading EPDs highlighted by ranking in the top 15% for birthweight, top 15% for weaning weight, top 10% for yearling weight, top 1% for milk, top 2% for total maternal, top 15% for stayability, top 20% for ribeye area, top 15% for marbling and top 10% mainstream terminal index. She is a daughter of Bieber Gladiator C386, the popular Red Angus AI sire that has been proven to complement Limousin cattle nicely. Her dam is a beautiful patterned HUNT Credentials daughter that did an exquisite job on her first calf, making the future bright for this young foundation female. This genetic combination will have such a strong influence in this exciting young female's future as an elite donor. Here is a opportunity to flush this female to the bull of the buyer's choice. This lot deserves some serious attention.

Conventional embryos will be made. Buyer gets a total of 6 embryos and supplies the semen for the transplant work. P Bar S pays flush expenses. The buyer can consider any embryos made over the 6 at a negotiated rate between them and the seller.
One of the new purebred Angus donors at P Bar S Ranch is Coleman Abigale 8264. Shown in this catalog is her full sister and her full brother. 8264 has met all the requirements to be a leading donor at the P Bar S Ranch Angus division. She is big footed, super sound made and very desirable in her rib shape and body cavity. She is a full sister to the extra proven Coleman Charlo 0256. We could write for days talking about the impact this particular cow family has made in the Angus biz! The main thing is, if you want power, maternal, and efficiency all wrapped up in one package, here it is. This female has a production record of BR 1@98, WR 1@103 and her dam records U%IMF 13@102, UREA 13@104.

COLEMAN TRIUMPH 9145, FULL SIB TO LOTS 19A & 19B

Rare opportunity abounds! These sexed heifer embryos come from one of the most respected and leading multi-breed firms north of I-80, Rust Mountain View Ranch. Lawsons Chloe C815 stands in elite company in the annals of Angus breed history. It's safe to say the C815 donor is bred for success as measured by the scores of top-selling progeny as evidence by the unthinkable appraised valuation of more than $1,600,000 in production revenue in merely four progeny—Coleman Triumph, Coleman Chloe 9275, Coleman Chloe 034 and Coleman Chloe 9274. The paternal influence in this mating is one of the absolute hottest sires in the beef industry! Bravo is a physical and genetic masterpiece that checks all of the boxes. Physically he is powerful and well balanced, genetically he combines two of the best animals ever raised at Coleman Angus – Charlo and Donna 714. Bravo has one of the most balanced EPD profiles available, being extremely low birth with above average growth. On progeny data reported by print date, 394 offspring in 47 herds have ratioed 98 at birth and 101 for weaning, yearling and scrotal! He was a $450,000 top seller at the 2018 Coleman Sale and now progeny have been high sellers across a number of operations. The Donna cow family is admired across the beef industry for their body type, udder quality, maternal look and consistency. These heifer embryos are full siblings to the $225,000 top-selling individual of the 2020 Coleman Angus Ranch Fall Annual Production Sale, Coleman Triumph 9145.

The C815 female has a resume unlike any other in the Angus breed! The progeny she has raised are some of the best in the nation and have been appraised as such. This mating to S A V 004 Density 4336 will be no exception. He has made his mark as one of the most influential maternal sires in the Angus breed. He is unmatched for his ability to consistently stamp his feminine, heavy milking daughters with impeccable udder quality, broodiness and maternal function. They are moderate framed, efficient cows with superior production capabilities. Density is also noted for longevity, remaining sound and virile while providing natural service at Schaff Angus Valley at well over 12 years of age. Bid with confidence on genetics that have been repeatedly proven.

What a standout Lim-Flex mating right here! ELC Jules Chip J066 is a daughter of EXAR Blue Chip 1877B, the legendary Dameron First Class son. Her dam is PCF Julie 216, a daughter of GAR Predestined. These Angus genetics have dominated the breed and far beyond for years and continue to do so. FWLY Can Do is the highly sought after son of RLBH Air Force One and CLLL Crystal 334W, a WLR Direct Hit daughter. FWLY Can Do is completely dominating show rings across the country. After such an impressive Louisville Supreme Champion Female win, the FWLY Can Do daughter, Ratliff Howboutit 008H, has once again increased visibility of the Limousin breed, but especially FWLY Can Do himself. He is known for advancing structure, style and impeccable power in his females. Most recently FWLY Can Do sired the impressive Ratliff Howboutit 008H female who was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. This momentum is beyond exciting, so now is the opportunity for you to capitalize on these genetics and see what they can do in your program! These conventional heifer embryos will be 34% Lim-Flex, homozygous black and double polled.

The combination of genetic worth in this offering is unbelievable. Three conventional embryos to the great ELCX Elevate donor and the impressing ELCX Kings Landing 599D. ELCX Elevate is one of the great ones to carry and represent the ELCX prefix. She is a homozygous polled and homozygous black 62% Lim-Flex female who has produced numerous standout offspring. To name a few—her son, ELCX High Time 065H was the high-selling lot in the 2021 Smoky Mountain Classic Sale for $20,000, and her daughter, ELCX Highness 056H, was the top-selling lot for $17,500 in the 2021 Edwards Land & Cattle Co. Show Heifer Online Sale. She is sired by the many time champion EF Xcessive Force and from DFLC HBHPC 1S. 1S is the dam of ELCX Twilight, the DHVO Deuce daughter and past Denver National Western Grand Champion Purebred Female for Edwards Land & Cattle Co. and Wies Limousin. This female is super big footed, soft in her pasterns and very structurally correct. We admire her cleanness up through her front end, smooth shoulders and strength down her top line. We admire her depth of fore rib, volume and over all capacity. ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the whole Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G sold for $30,000 and ELCX G Mail 950G for $15,000 in 2020 and in 2021 respecitvley, his daughter, DL Heaven Can Wait 550H, sold for $15,000. Don't miss this rare opportunity to get your hands on elite genetics.

AUTO CALLIE 403D ET, DAM OF LOT 24

AUTO Callie 403D ET was selected Grand Champion Limousin Female at the 2018 All-American Limousin Futurity. This female is a AUTO Power Plus 133B daughter out of the famous AUTO Rebeca 292S donor who has 246 progeny recorded in NALF. She hasn't missed yet. AUTO Callie 403D continues to amaze us and we know this genetic pairing will be no different. The paternal influence of these embryos is the popular ELCX Kings Landing 599D, one of the highly esteemed bulls at the top of the breed right now. He is the impressive son of MAGS Xyloid and out of the noteworthy WLR Prada female. WLR Prada is one of the absolute hottest Limousin females in the breed. She has generated numerous national champions across the country. ELCX Kings Landing was the 2016 NAILE Reserve Grand Champion Bull that is owned by Wies Limousin Ranch and Davis Ranches. We think a lot of female and are excited about powerful pairing.

Pay close attention to these special embryos. Glendenning's J Bar J sure does know how to bring the heat with a mating this impressive. TMCK Foxtrot 569F ET is a daughter of the highly prolific TMCK Applause 301A donor and MAGS Cable. TMCK Applause 301A is a MAGS Y-Axis female that never misses. This female is in a league of her own. She ranks in the top 15% of the breed or better for her weaning weight, yearling weight and mainstream terminal index. The paternal influence of these embryos is the extremely popular ELCX Kings Landing 599D who has garnered the attention of numerous producers across the country for his impeccable ability to sire individuals with look, power and substance. ELCX Kings Landing 599D recently sired the $105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale. These embryos have a winning pedigree that you're not gonna wanna pass up.

This unique consignment epitomizes the crossroads of where phenotypic quality and genetic diversity meet. These embryos offer you the opportunity to invest in a top-of-the-line donor and some of the breed's freshest and best genetics. The sire featured in this mating is none other than the sound footed, heavy muscled, stout featured and widely popular AI sire, ELCX Kings Landing 599D. He is the ever popular son of MAGS Xyloid and the legendary WLR Prada donor! The donor is TASF Fallon who has been admired by many for her flawless structural make up, body depth and impeccable structural integrity. We feel this package speaks for itself and represents the progressive direction of the Wilder program.

MANN RED BOX, FULL SIB TO DAM OF LOT 28

Red Angus Lim-flex cattle have been in heightened demand in recent years and these embryos are no exception. The dam of these embryos is the full sib to the popular Red Angus AI sire, MANN Red Box, one of the most talked about Red Angus bulls in the breed. His calves display tremendous quality and style which is why he is a program leader at Duff's. The dam of this female is Peltons Miss AJA 0839U, and at 11 years of age, she is extremely sound and impressive from every angle. She consistently transmits quality and eye appeal. These embryos are sired by one of the most popular bulls in the Limousin breed, ELCX Kings Landing 599D, who has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. These embryos have a winning pedigree that you're not gonna wanna pass up.

This embryo offering has the capability and credentials to make a monumental impact within the Limousin breed. Three 43.5% Lim-Flex embryos to the great CELL Diamond Cabaret 1184J and Schilling Game Over. One of the most anticipated young Lim-Flex sires in the breed is Schilling Game Over. Schilling Game Over is the Schillings R&L Classified son described by many as the 'freak of a Limousin bull' who hit the market in 2020. He was the Grand Champion Limousin Bull at the 2020 American Royal and was the Reserve Champion Limousin Bull at the 2021 Cattlemen's Congress. He is known for his incredibly stout build, immaculate design and storied pedigree. Schillings R&L Classified is the EXAR Classen 1422B son that has set the Angus breed on fire. Schilling Game Over's dam is Schillings Beautician, a daughter of DHVO Deuce 132R and out of a Carrousels Nasdaq, CRSL Roxie 5050R. The dam in this embryo offering is CELL Diamond Cabaret 1184J, a daughter of Conley Express 7211. Conley Express 7211 is the SMA Watchout son who continues to reign as one of the hottest Angus sires on the market today. CELL Diamond Cabaret's dam is MAGS Xuzette, a daughter of DHVO Deuce 132R. These embryos will be homozygous black and double polled.

What an exceptional opportunity to buy into some high quality Lim-Flex genetics right here folks! These embryos will be from the Schilling Game Over x PBRS Heavens Angel 075H mating. PBRS Heavens Angel 075H is smooth and elegant in her design, tremendous on her feet and legs and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. She is a double homozygous daughter of TASF Crown Royal 960C. He is the son of DHVO Deuce and his dam is TASF Whiskey Lullaby 357W. This female's dam is BUF Eppionia 7307, an SAV 8180 Traveler 004 daughter. Numerically, she ranks in the top two percent of the breed for her weaning weight figure of 90 and she ranks in the top five percent for her yearling weight figure of 136. She is 50% Lim-Flex. One of the most anticipated young Lim-Flex sires in the breed is Schilling Game Over. Schilling Game Over is the Schillings R&L Classified son described by many as the 'freak of a Limousin bull' who hit the market in 2020. DAM	13	-.1	70	113	14	6	1.4	12	.02	29	.31	.42	66

What an unprecedented offering these two embryo lots are! Collectively, it would be difficult to gather just how many national champion titles and dollars earned there are in this single mating and future pedigree. ELCX Fiji 27Z is a daughter of Connealy Consensus 7229, one of the most renowned Angus sires in the history of the breed. Her dam is the one and only SBLX Xina Colada, the daughter of SAV Bismarck and the breed matriarch Carrousels Pina Colada. Whew—if you're not intrigued by now just wait! One of the most anticipated young Lim-Flex sires in the breed is Schilling Game Over. Schilling Game Over is the Schillings R&L Classified son described by many as the 'freak of a Limousin bull' who hit the market in 2020. He was the Grand Champion Limousin Bull at the 2020 American Royal and was the Reserve Champion Limousin Bull at the 2021 Cattlemen's Congress. He is known for his incredibly stout build, immaculate design and storied pedigree. Schillings R&L Classified is the EXAR Classen 1422B son that has set the Angus breed on fire. When cattlemen hear breed greats such as Consensus, Bismarck, Pina Colada, Classified and Classen all in one stacked pedigree—watchout! They'll come running so fast it'll make your head spin. These conventional embryos will be 37.5% Lim-Flex, homozygous black and double polled.

Pay close attention to these special embryos. The maternal side of this mating is the vastly popular LLJB Absolute Style 3056A. Absolute Style is the elite female that came out of the 5th Annual Linhart Limousin Harvest Sale purchased by Shelby Hennessy of North Dakota. The Hennessy family showed Absolute Style all over and most notably to the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. Since her days in the show ring, she has transitioned to one of the most influential donors in Limousin history. The paternal side of this mating is LHC Capital ET, one of the most talked about young sires this year. He is a son of the great MAGS Cable out of the CLLL Crystal 334W donor who is most notarized for being the dam of FWLY Can Do. This maternal brother to Capital recently sired Ratliff Howboutit 008H ET. She was the high-selling female at the Ratliff Cherry Creek Sale bringing $200,000 selling to the Sullivan family and has found her success clamming the Supreme Female title at the 2021 Iowa Beef Expo and most recently the tile of Supreme Champion Junior Female at the 2021 NAILE. These embryos have a winning pedigree that you're not gonna wanna pass up.

An extremely exciting opportunity to purchase some of the freshest and most valuable genetics the prestigious Wulf Cattle operation has to offer. Wulfs Edwinna 7056E has made herself an impressive resume, producing a feature lot in the 2020 Wulf Cattle Opportunity with her first calf, Wulfs Gallagher 7056G, who was a top seller bringing $17,000.. History repeated itself with her second calf, Wulfs Hickok 7056H, who was the lead bull in the Reserve Champion Lim-Flex Pen of three at the Cattlemen's Congress, then commanded top dollar at the recent Wulf Cattle Opportunity sale for $22,500. Producing two top cut bulls in Wulf Cattle's vast population is no coincidence and made herself a strong bid for a donor career. Phenotypically this young female has a beautiful pattern and exceptional udder conformation. Numerically she has breed leading EPDs highlighted by a massive birth to yearling spread ranking in the top 10% for birth weight, top 10% for weaning weight and top 5% for yearling weight. Whats more, she ranks in the top 1% for milk, top 2% for scrotal circumference, top 1% for docility, top 10% for ribeye area, top 20% for marbling and top 10% for mainstream terminal index. She is sired by Bieber Deep End B597, who has a record of producing exceptional Lim-Flex cattle. These embryos are sired by the high seller from the 2020 Wulf Cattle Sale, Wulfs Gameboy C911G, who sold for $25,000. This Wulfs Xcellsior X252X son is phonetically one of the most outstanding individuals to come through the Wulf program, but his value doesn't end at his good looks. On paper he is one of the most impressive bulls the breed has to offer. There is proof of these genetics outperforming all others in one of North America's most reputable programs!

Here is your chance to hitch your wagon to two of the hottest cow families in Limousin ranks and far beyond when it comes to successful genetics. Three conventional embryos to the great AUTO Ajay 206A and the ever-popular FWLY Can Do. AUTO Ajay 206A should need no introduction—she's had that much influence on the Limousin breed to date and continues to generate offspring that sweep any show ring they set foot into and top the charts of any sale. AUTO Ajay 206A is the daughter of SAV Brave and the breed matriarch MAGS Manuela. FWLY Can Do is the highly sought after son of RLBH Air Force One and CLLL Crystal 334W, a WLR Direct Hit daughter. FWLY Can Do is completely dominating show rings across the country. He is known for advancing structure, style and impeccable power in his females. Most recently FWLY Can Do sired the impressive Ratliff Howboutit 008H female, who was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. What an investment opportunity to get in on the next big thing in the industry that everyone will be watching!

This female had a successful show career and is now one of our lead donors. The paternal influence in this mating is CELL Freedom 8208F, the high selling bull in the 2020 Business Done Right Bull Sale. Freedom is the product of the great MAGS Ali paired with the extremely successful Absolute Style 3056A. The results of this mating will live in the Limousin history books for a long time, with many other notable progeny that are a product of this great pairing. Bid with confidence.

Let's cut to the chase. If you like cattle that are stout, three-dimensional and powerful that possess and unparalleled look of quality, you'll want to dial your focus in on these conventional heifer embryos. They are from the unique mating of PBRS Audrey 346A and RLBH Air Force Oone. PBRS Audrey 346A is a top donor in the Edwards Land & Cattle Co. program. She is the MAGS Yip daughter out of a tremendous cow, Buford Erica 9312. One of her most notable daughters is ELCX Candy 330C, the 2016 All-American Limousin Futurity Supreme Champion Female. To date, over 400 calves have been registered under the great RLBH Air Force One bull. He is the show bull that took every single show ring he set foot in by storm. The EF Xcessive Force and EF Yaffa 821Y son is one of the greatest Limousin sires to ever grace the breed. These conventional heifer embryos will be 56% Lim-Flex, homozygous black and double polled. What an exclusive genetic opportunity you won't want to pass up!

Ladies and gentlemen, be sure you get your eyes on this embryo offering early and get ready for sale day! This is one exclusive genetic opportunity you won't want to miss! Three IVF heifer embryos to the great mating of MAGS Danessa and WLR Final Call. MAGS Danessa is the TMCK Alfalfa 35X daughter who garnered much attention in Denver at the Mile High Sale in 2018. Her dam is MAGS Zenovia, a daughter of MAGS Xyloid. She is a unique female in terms of build, structural soundness and overall design. Combine her elite pedigree with WLR Final Call and lookout! WLR Final Call is the exciting son of the one and only Silveiras Style 9303. His dam is the great MAGS Phantoms Prize female that truly needs little introduction herself. He was the 2020 Grand Champion Limousin Bull at the National Western Stock Show in Denver. His full sister, WLR Eden, was the 2018 Reserve Champion Lim-Flex Female at the National Western Stock Show, exhibited by Sara Sullivan. WLR Eden has quickly become one of the breed's top donor females. These IVF heifer embryos will be 53% Lim-Flex, homozygous polled and double black.

Regardless of your goals, rest assured this mating is bulletproof. Three purebred embryos to the great ELCX Charmer 566C and SSTO Guns N Roses 9408G. ELCX Charmer is the MAGS Xyloid and WLR Prada daughter that continues to produce some of the most solid breeding pieces within the Limousin breed. SSTO Guns N Roses 9408 is a son of the famed Riverstone Charmed female known as the "Ratliff heifer" that has completely taken the show industry by storm. His sire, TASF Crown Royal, is a champion in his own right, and sire of multiple champions, including this year's National Junior Limousin Show Grand Champion Female. What's more, his dam is the most accomplished show female in history and now her daughters are dominating the show road. At the 2020 Junior Nationals 8 of the 12 Lim-Flex females in the grand drive were Charmed daughters, including the Grand, Reserve Grand and 4 of the top 5 females. What's more the demand for Riverstone Charmed "Larissa" influence is at a total fever pitch as evidenced by her most recent daughter commanding a staggering $201,500 on auction for the Ratliff family of Kansas. Invest with confidence with these genetics, folks! These genetics will leave a lasting impression as some of the most dominant and consistent producing genetics in the breed.

Attention Cattlemen, here is the chance to procure big time genetics! AUTO Callie 403D ET was selected Grand Champion Limousin Female at the 2018 All-American Limousin Futurity. This female is a AUTO Power Plus 133B daughter out of the famous AUTO Rebeca 292S donor who has 246 progeny recorded in NALF. She hasn't missed yet. AUTO Callie 403D continues to amaze us and we know this genetic pairing will be no different. The sire, SSTO Guns N' Roses, was recently syndicated for a staggering $41,000 and is a direct son of the legendary Rivestone Charmed 50C donor that has made one of the most significant impacts in breed history. The donor on hand, a champion in her own right, has the look, structural integrity and body depth that gets any astute cattlemen excited. At day's end, if you like cattle that are double stout, thick ended and great boned take a hard study on these embryos because that is precisely what this mating projects to create. Don't let this opportunity pass you.

Selling 15 units for $1,000.

COLE Homerun 51H ET was the sale highlight and top-selling lot at the 2021 Coleman Limousin Bull Sale. Homerun was the talk of the spring sale season due to his outstanding conformation and breed leading EPD profile. His sire, CELL Envision 7023E, has proven to transmit progeny that pair big data with stand out phenotypes. CELL Envision 7023E is deceased but his legacy continues siring calves that sort to the top of many astute breeding programs across the country. His donor dam is COLE Miss X-rated 354A who has an impressive resume producing two other maternal brothers who are both notable AI sires and past sale highlights—COLE Cadillac 05C and COLE Genesis 86G. On paper COLE Homerun 51H ET has numbers worth studying. Take note of his breed leading weaning and yearling weights, both rank in the top 1%. He also ranks in the top 1% for total maternal, top 30% for scrotal, top 30% for stayability, top 4% for carcass weight, top 15% for ribeye, top 30% for marbling and top 10% for mainstream terminal index. Aside from his numerical advantages, phenotypically he is heavily structured, big bodied and level topped, with extra muscle expression while being free moving off both ends of his skeleton. What's more he is homozygous black and homozygous polled. Don't miss out on your chance to procure genetics on this remarkable individual that will predictably advance your breeding program to new heights.

What a time to get on the exciting 'Can Do' bandwagon! FWLY Can Do is the highly sought after son of RLBH Air Force One and CLLL Crystal 334W, a WLR Direct Hit daughter. FWLY Can Do is completely dominating show rings across the country. He is known for advancing structure, style and impeccable power in his females. Most recently FWLY Can Do sired the impressive Ratliff Howboutit 008H female, who was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. It goes without saying that breeders across the nation will be high tailing it to get their hands on FWLY Can Do ***HEIFER SEMEN***. What better time to invest in the future of your program than now with FWLY Can Do ***HEIFER SEMEN***!
