Here is a unique opportunity to procure one of the most sought after matings not only in the Limousin breed but in the who cattle industry. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. The paternal influence in this mating, FWLY Can Do adds even more greatness and titles to the equation, son of RLBH Air Force One he was the champion Limousin bull at the 2018 American Royal. His progeny read with extra attractiveness and flawless structural conformation. When Charmed was mated to FWLY Can Do, success was the goal and that goal was brought to life with the creation of Ratliff Howaboutit 008H ET. This female was the high selling female at the Ratliff Cherry Creek sale bringing \$200,000 selling to the Sullivan family and has found her success claiming the Supreme Female title at the 2021 Iowa Beef Expo. Do not sleep on the opportunity to own this individual, the product of this mating is self-evident.

The excitement doesn't have to stop just yet! Here are three conventional embryos to the great CELL Miss Responder 6078D and the powerful CELL Envision 7023E. Not only has CELL Miss Responder 6078D made a spot for herself in purebred history, she's continuing to produce top tier genetics no matter the mating. This daughter of COLE Absolute 05A is as powerful as any purebred female in the marketplace today. Her dam is from the DHVO Deuce 132R and MAGS Ramada mating. CELL Miss Responder 6078D sure does do the job effortlessly. She is the dam of CELL History Buff 0245H, AUTO Blaque Blazer 100F and CELL History Maker 0256H. The sire of these conventional embryos is CELL Envision 7023E. He is a son of AHCC Barn Burner B907 and out of the unforgettable PBRS Zsa Zsa 246Z donor female. On paper CELL Envision 7023E checks out as good as any bull on the market. He is in the top percentile for weaning weight and yearling weight and in the third percentile for marbling. These embryos will be double homozygous and purebred - it doesn't get much better than this combination!

If you're in the market for raising an AI sire that can headline any program across the country, here's your opportunity to do so! Here are three sorted male embryos that will be double homozygous and purebred. With the influence of CELL Miss Responder 6078D and CELL Envision 7023E these embryos are sure to be a big hit and make a name for themselves early on. This daughter of COLE Absolute 05A is as powerful as any purebred female in the marketplace today. Her dam is from the DHVO Deuce 132R and MAGS Ramada mating. CELL Miss Responder 6078D sure does do the job effortlessly. She is the dam of CELL History Buff 0245H, AUTO Blaque Blazer 100F and CELL History Maker 0256H. Now is your chance to get your hands on sexed heifer embryos from the great CELL Miss Responder 6078D and KLS SULL Charmer mating. Everyone has been blown away by the influence these two individuals have had across the industry, but boy can they produce an excellent female at the end of the day! CELL Miss Responder 6078D is a daughter of COLE Absolute 05A and is as powerful as any purebred female in the ranks today. Her dam is from the DHVO Deuce 132R and MAGS Ramada mating. CELL Miss Responder 6078D sure does do the job effortlessly. She is the dam of CELL History Buff 0245H, AUTO Blaque Blazer 100F and CELL History Maker 0256H. She not only can produce strong AI sires, but her heifer calf at side this year is equally as impressive. KLS SULL Charmer is the exciting son of TASF Crown Royal 960C who has continued to produce elite progeny with one heck of a style and eye appeal. His dam is none other than the

great Riverstone Charmed female, known as the infamous Ratliff heifer who dominated her time in the show ring and now as one the breed's most influential donor females to date. Offering three sexed heifer embryos that will be double homozygous and purebred. Now is the time to take your program to the elite level!

Right to Flush. Bull of buyers choice. Guarantee of six, maximum of 10. Buyer Pays Flush Expenditures. Check this out! Here's your chance to flush the dam of CELL Envision to the bull of your choice. Yep, you read that right! It doesn't get any bigger than that. What an opportunity. You've seen what she can do. Now think about what she can do for you and your herd. The spring's high sellers reports was claimed by Envision sons, such as CELL History Maker 0256H who sold for \$37,500 and his full brother CELL History Buff 0245H who sold for \$37,000 at the Linhart Limousin Annual Business Done Right Bull Sale. Another notable Envision son was the high seller at Colman Limousin Ranch Bull Sale commanding \$40,000. Rare opportunity to flush a female that has impressive resumé.

Davis Ranches of Brownwood, Texas have consigned three sexed IVF heifer embryos from the CELL History Maker 0256H x DL Faithful 300F mating. CELL History Maker 0256H is a son of CELL Envision 7023E and out of a COLE Absolute female, CELL Miss Responder 6078D. DL Faithful 300F is the RLBH Air Force One daughter who has completely stolen the show. She is out of AUTO Alivia 431A, a daughter of MAGS Xukalani and AUTO Rebeca 292S. Whew- with a pedigree of this level, these embryos are sure to rise to the top of absolutely any occasion! These three IVF sexed heifer embryos will be 71.5% Lim-Flex, homozygous black and double polled.

If this genetic combination doesn't get your blood pumping- then not much will! Davis Ranches of Brownwood, Texas have consigned this lot of three IVF sexed heifer embryos from the SSTO Fortitude 8914F x Dark Sunshine mating. SSTO Fortitude 8914F is a PVF Insight 0129 son out of the one and only Riverstone Charmed female. Riverstone Charmed hit the stage hard during her show heifer career and became known as the great "Ratlift" heifer. She is a daughter of TMCK Durham Wheat and out of the HSF Your Fantasy female. Dark Sunshine is the powerful Lim-Flex donor and daughter of EF Xcessive Force. Her dam is the legendary EF Yaffa 821Y female, a daughter of EXLR New Generation 071M. These three IVF sexed heifer embryos will be 56% Lim-Flex, double polled and double black. You better be ready to have your sights honed in on this trio of embryos- they're bound to be something special!

Donor cow is open and ready for transplant

Would you take a look at this phenomenal opportunity! Here is your chance to take the reins and create five embryos with the bull of your choice from AUTO Gretel 234G, the impressive daughter of the one and only CELL Miss Responder 6078D. AUTO Gretel 234G is sired by the powerful CELL Envision 7023E who is a son of AHCC Barn Burner B907 and out of the unforgettable PBRs Zsa Zsa 246Z donor female. On paper CELL Envision 7023E checks out as good as any bull on the market. He is in the top percentile for weaning weight and yearling weight and in the third percentile for marbling. AUTO Gretel 234G ranks in the top percentile of the breed for both her weaning weight and yearling weight EPDs. This is an opportunity you'll want to capitalize on for the future of your operation and you won't regret it! AUTO Gretel 234G is open and ready for transplant.

Attention Cattlemen here is the chance to procure big time genetics! Aside from her phenotypic advantages MAGS Zahoo numerically ranks in the top 10% for both weaning weight and yearling weight, top 1% scrotal circumference, top 1% marbling and top 1% mainstream terminal index. This donor mated to the great number giant CELL Envision 7023E is an opportunity that doesn't arise everyday. This spring's high sellers report was claimed by Envision sons, such as CELL History Maker 0256H who sold for \$37,500 and his full brother CELL History Buff 0245H who sold for \$37,000 at the Linhart Limousin Annual Business Done Right Bull Sale, another notable Envision son was the high seller at Colman Limousin Ranch Bull Sale commanding \$40,000. What's more Envision is now deceased and it is no secret his semen is in extremely short supply and has been evaluated for top dollar. When opportunity knocks, you better open the door.

Ultra rare opportunity to purchase semen from the deceased Limousin legend, CELL Envision. He has proven to transmit tremendous visual, genetic and numerical tabulation into his progeny. Examples of these descendants can be found at the top of this spring's high sellers report which was claimed by Envision sons, such as CELL History Maker 0256H who sold for \$37,500 and his full brother CELL History Buff 0245H who sold for \$37,000 at the Linhart Limousin Annual Business Done Right Bull Sale, another notable Envision son was the high seller at Colman Limousin Ranch Bull Sale commanding \$40,000. On paper CELL Envision is an absolute breed leader, highlighted by ranking in the top 1% weaning weight, top 1% yearling weight, top 4% total maternal, top 1% scrotal circumference, top 2% docile, top 1% carcass weight, top 10% ribeye area, top 3% marbling and top 1% mainstream terminal index. It is no secret that semen from this tremendous bull is in scarce supply, this is an extremely rare opportunity to purchase CELL Envision semen in volume. This may never happen again, don't sleep on this chance of a lifetime.

This is such a unique genetic opportunity that will catapult any operation into the future of the LLJB Absolute Style progeny storybook. Absolute Style 3056A is a SilveriasStyle 9303 daughter, that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. Her progeny have been consistently great, with various paternal influences and SSTS Gun's N Roses will be no exception. This sire has been the talk around the breed and for good reason, he is the son of TASF Crown Royal, the legendary bull that has been at the top sire of the industry for raising championship cattle. Guns N Rose's dam is the one and only Riverstone Charmed 50C, she is the "Larissa" Ratliff show heifer, that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. Here's a phenomenal genetic offering that will catapult the future owner to the top for the industry.

A.I'd 5/10/21 to WULFS Fifty T804F. Safe.

Absolute highlight of this offering! This female is ultra-complete and it's a total understatement when we say she's wicked good. WULFS Hadith 0017H is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cow power to the max- she's loaded with overall dimension, expressive muscle shape and such a killer presence. On the move she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. aside from her phenotypical advantageous numerically WULFS Hadith 0017H has breed leading EPDS highlighted by ranking in the top 15% birthweight, top 15% weaning weight, top 10% yearling weight, top 1% milk, top 2% total maternal, top 15% stayability, top 20% ribeye area, top 10% marbling and top 4% mainstream terminal index. Daughter of Bieber Gladiator C386 the popular Red Angus AI sire that has been proven to complement Limousin cattle nicely. her dam is a young HUNTS Credentials 37C ET daughter that did an exquisite job on her first calf, making the future bright for this young foundation female. This genetic combination will have such a strong influence in this exciting young female's future as an elite donor prospect. Here is a 50% Lim-Flex that deserves some serious attention.

PICK OF 4 BRED HEIFERS

LOT 13A

A.I. 04.10.21 to 3G Double Booked 6116D (62% Blk/HP son of MAGS Y-Axis); P.E. from 4.29.21 to MAGS Happy Holiday 730H (43% R/HP son of Wulf's Emprize 2424E).

What a phenomenal opportunity to have the pick of four bred heifers from the highly successful J6 Farms program out of Gibbon, Nebraska! J6 Diva 193H is a daughter of WLR Final Call, the impressive son of Silveiras Style and MAGS Phantoms Prize. Her dam is PBRs Diva Note 6298D, a daughter of MAGS Aviator and SBLX Znote. The depth of pedigree present in this female is astounding and something worth paying special attention to. J6 Diva 193H is homozygous polled and heterozygous black. She is a 61% Lim-Flex female.

LOT 13B

A.I. 06.08.21 to 3G Double Booked (62% Blk/HP son of MAGS Y-Axis); P.E. from 6.09.21 to MAGS Happy Holiday 730H (43% R/HP son of Wulf's Emprize 2424E).

J6 Diva 205H is a daughter of WLR Final Call, the impressive son of Silveiras Style and MAGS Phantoms Prize. Her dam is PBRs Diva Note 6298D, a daughter of MAGS Aviator and SBLX Znote. These full sisters are quite the dynamic offering. We are continually impressed with daughters of WLR Final Call and we believe he compliments PBRs Diva Note 6298D incredibly well. J6 Diva 193H is heterozygous polled and heterozygous black. She is a 61% Lim-Flex female.

LOT 13C

A.I. 06.08.21 to 3G Double Booked (62% Blk/HP son of MAGS Y-Axis); P.E. from 6.09.21 to MAGS Happy Holiday 730H (43% R/HP son of Wulf's Emprize 2424E).

J6 Diva 210H is a daughter of WLR Final Call, the impressive son of Silveiras Style and MAGS Phantoms Prize. Her dam is PBRs Diva Note 6298D, a daughter of MAGS Aviator and SBLX Znote. These full sisters are quite the dynamic offering. We are continually impressed with daughters of WLR Final Call and we believe he compliments PBRs Diva Note 6298D incredibly well. J6 Diva 193H is homozygous polled and heterozygous black. She is a 61% Lim-Flex female.

LOT 13D

A.I. 06.08.21 to 3G Double Booked (62% Blk/HP son of MAGS Y-Axis); P.E. from 6.09.21 to MAGS Happy Holiday 730H (43% R/HP son of Wulf's Emprize 2424E).

J6 Diva 214H is a daughter of WLR Final Call, the impressive son of Silveiras Style and MAGS Phantoms Prize. Her dam is PBRs Diva Note 6298D, a daughter of MAGS Aviator and SBLX Znote. These full sisters are quite the dynamic offering. We are continually impressed with daughters of WLR Final Call and we believe he compliments PBRs Diva Note 6298D incredibly well. J6 Diva 193H is heterozygous polled and homozygous black. She is a 61% Lim-Flex female. Take your pick of these four full sisters and you won't regret it!

Here is the opportunity to buy a package of FWLY LHC Capital ET one of the most talked about young sires this spring. FWLY LHC Capital ET is the sire you have been searching for, he combines visual esthetics and genetic greatness. Admire his flawless structural conformation and eye appealing phenotype. He is sired by the legendary MAGS Cable who has made a habit of producing progeny that are attractive and carry real world production value. His donor dam, CLLL Crystal 334W is a beautiful made WLR Direct Hit daughter that is most notarized for being the dam of FWLY Can Do. This maternal brother to Capital recently sired Ratliff Howaboutit 008H ET. This female was the high selling female at the Ratliff Cherry Creek Sale bringing \$200,000 selling to the Sullivan family and has found her success claiming the Supreme Female title at the 2021 Iowa Beef Expo. Homozygous polled and homozygous black, this 62% Lim-Flex yearling needs to be at the top of your list for fall and spring breeding.

RIGHTS TO FLUSH

Selling Choice of Designer Matings.

Selling a guarantee of six embryos with no maximum, seller supplies semen and buyer pays flush cost. Don't miss the opportunity to purchase embryos from MAGS Evey. The word the first comes to mind when describing the exquisite female is elite. Daughter of one of the most popular bulls in Limousin history, MAGS Aviator, very few bulls in history have made making great ones look as easy as Aviator has. Bid with confidence the progeny from these embryos will be special. ELCX Kings Landing 599D ET is another individual with a stunning presence in the Limousin breed. He was the 2018 North American International Livestock Exposition Grand Champion Bull exhibited by Edwards Land & Cattle, White Valley and Wies Limousin Ranch. He is a double homozygous son of MAGS Xyloid and out of the one and only WLR Prada donor female. This mating will be a great opportunity to find out what this blend of elite genetics will do for you! Here is the opportunity to get a head start on your competition with paternal influence from LHC Capital ET one of the most talked about young sires this spring. FWLY LHC Capital ET combines visual esthetics and genetic greatness. Admire his flawless structural conformation and eye appealing phenotype. He is sired by the legendary MAGS Cable who has made a habit of producing progeny that are attractive and carry real world production value. His donor dam, CLLL Crystal 334W is a beautiful made WLR Direct Hit daughter that is most nortarized for being the dam of FWLY Can Do. This is another mating we can't say enough about! FWLY Can Do is the son of RLBH Air Force One and the powerhouse CLLL Crystal 334W female. Can Do was the 2018 American Royal Grand Champion Limousin Bull raised by Fawley Farms that has such a captivating presence in this genetic lineup. This mating indicates proven consistency and shear quality.

Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. bid with confidence on genetics that have been repeatedly proven.

Consigned by Red Rock Limousin, Gary, TX

DONOR DAM: LH Belle Star 016B

FLUSHMATE SISTER:
LH Belle Star 015B

RIGHTS TO FLUSH

Selling Choice of right to flush to the bull of buyers choice.

LH Belle Star 016B is a flushmate sister to the ever popular LH Belle 015B exhibited with great success by Colt Cunningham in the 2015 -2016 circuits. Three of her bulls calves WW 720 average and made yearly weights of 1399, average REA 16.18 , average IMF 4.33. The Belle cow and her dam, Touch Me Gently, have been consistent producers of large embryo numbers in the 15 – 25 range.

Sellers guarantee six embryos and will split any over 15 with buyer. Belle Star is open and ready for flushing. She has an April 11th MAGS Eagle heifer calf at side.

This mating will be something special. MAGS Blind Date is an extraordinary female, that has a beautiful pattern paired with impressive numbers worth studying, ranking in the top 1% for both weaning weight and yearling weight, top 5% total maternal, top 2% marbling and top 1% mainstream terminal index. ELCX Kings Landing 599D ET is another individual with a stunning presence in the Limousin breed. He was the 2018 North American International Livestock Exposition Grand Champion Bull exhibited by Edwards Land & Cattle, White Valley and Wies Limousin Ranch. He is a double homozygous son of MAGS Xyloid and out of the one and only WLR Prada donor female. This mating will be a great opportunity to find out what this blend of elite genetics will do for you!

What a true sale highlight here, everybody! KLS Farms, Inc. of Chatham, Louisiana have consigned three sexed female embryos from the highly anticipated Conley Dieckmann Prowess x AUTO Fedora 222F mating. Conley Dieckmann Prowess was the pick of the 2019 Conley Express sons. Prowess offers a world of mating flexibility with an outcross dam and comes from a known pedigree of success. The dam in this mating is AUTO Fedora 222F, the daughter of TMCK Durham Wheat and the infamous WLR Prada female. AUTO Fedora 222F has been mated to high profile AI sires including Colburn Primo, Silveiras Style, Schilling's R&L Confidential and CJSL Dauntless. The hype for this new mating to the impressive Conley Dieckmann Prowess is real and will remain the talk of the town for quite some time. The unmatched genetic potential present in these embryos will completely blow your mind. These sexed female embryos will be 46.5% Lim-Flex, homozygous black and double polled.

Turn your attention to this high profile genetic opportunity! J6 Farms of Gibbon, Nebraska have consigned three embryos from the WLR Final Call x AUTO Darian 226D mating. WLR Final Call is the Silveiras Style son out of the great MAGS Phantoms Prize female. He was the 2020 Grand Champion Limousin Bull at the National Western Stock Show exhibited by Ben Spencer. WLR Final Call is a full brother to the impressive WLR Eden female exhibited by Sara Sullivan throughout the 2018 show season. The dam from this mating is AUTO Darian 226D, a daughter of BSF Opportunist Z5 and the infamous MAGS Manuela female. These embryos will be backed by elite genetic profiles with storied success. You'll want to add these embryos to your embryo arsenal as soon as possible!

Few females have show ring success like LFL Fiesta 8126F, winning champion titles at both the 2019 and 2020 Limousin Junior National Show and took home champion honors at the 2020 National Western Stock Show. Daughter of LFL Deluxe Edition 6029D ET, an RLBH Air Force One son. Her donor dam is LFL Danny 6029D, a beautiful patterned Wulf Xclusive 2458X daughter. Naturally being one of the best females that we have produced we decided to mate her to one of the best bulls we have raised. LFL Gamer 9116G ET has been the talk of the spring sale season, this young herd sire was purchased by Wulf Cattle. To say we are excited about this matting is an understatement.

AUTO Bliss 265Y joined the Diamond Hill, Lawrence Family Limousin, and Coyote Hills Ranch programs in March 2013 after being named division champion at the National Western where she caught the attention of these firms.

Bliss has produced countless her bulls by several sires namely: MAGS Ali sons serve in Pinegar, Burnett Bros., Coyote Hills, Hayhook, Bane Bigbie, Devillier Limousin and Diamond Hills; a Y-AXIS son serves at Sun Up Limousin: Cable son LFL Esquire was syndicated into a number of herds; a Rodemaster son is being used by the Coy Cattle Co. program, a MAGS Anchor son is serving in the Heldermon Cattle Co. herd and a DHIL Colt son in the good Bane Bigbie herd.

Likewise daughters are serving as donors for David Phillips, Bruce Lawrence and others. CHR Hallie Bliss 033H the 2021 Division Champion Lim-Flex heifer in the Cattlemen's Congress Junior Show is apt to become a donor.

A worthy investment in genetics that can produce herd bulls or donor females with strong performance and EPD's and cattle that can be competitive in the show ring. Hence two sons of the Hager donor cow LVLS 9066U were used to produce embryos that will produce outstanding offspring.

Few females have had the impact on breeding programs as Belle and her dam, PBRs Touch Me Gently 798T. Whether it be full sibs to Belle or half brothers or sister, they been cattle with performance, style and balance. It all started as the Reserve Grand Champion Female in the 2015 National Western Open Show, then on to Grand Champion in both the junior and open shows in the fall 2015 at NAILE in Louisville. Grand Champion in both the junior and open shows in the 2016 National Western, Grand Champion at Fort Worth Stock Show and Supreme Grand Champion at the 2016 Oklahoma Youth Expo for Colt Cunningham. Belle's first calf offered at auction topped the 2019 National Sale in Denver, going to Darci Burnett of the Burnett Brothers firm of Hale Center, Texas. Six other offspring, both heifers and bulls from babies to weaning age, totaled some \$26,000.00 at the 2020 Hall Cattle Co. dispersion. LH Gabbi 024G, a March 2019 Aviator daughter of Belle was recently Reserve Grand Champion at the Oklahoma Youth Expo. This mating to Primo the sire of champions in more than one breed can't miss..

Any chance to own Charmed influence is a chance you don't want to pass up. SSTO 9854G is a direct dissident for the one and only Riverstone Charmed 50C, "Larissa" is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation and far beyond. On top of her more than impressive show career for Ratliff's Cherry Creek Farms of Westphalia, KS, she produced \$137,500 in her first five offspring to sell that averaged \$27,500. Her very first set of offspring included "Ratliff Majority Rules ET," the \$75,000 half interest bull calf and a \$40,000 daughter sired by MAGS Aviator, SSTO Maximilian 743E ET. We could take up pages to encompass the major influence Riverstone Charmed 50C has had, but we'll save that for another time. This is a rare opportunity and one that you'll want to have on your radar. PBRS Bunkhouse is wildly acclaimed and now deceased, but the time is now to add this future heifer calf to your program! Once again, we are more than excited to have this consignment from the Freed Livestock program.

EMBRYOS

Without a doubt, these embryos will be the talk of town for years! When Tubmill Creek Farms told us of their intention with this embryo lot we could barely contain the excitement. These three conventional embryos will be from the highly anticipated mating of TMCK Flashback 605F the big growth TMCK Cash Flow 247C son that is truly an impressive specimen, he is a stout framed rugged herd sire that compliments this beautiful cow perfectly. MAGS Bethany 9245B is quite the impressive daughter of EXAR Upshot 0562B. Her dam is the great AUTO Carminda 656S donor, a JCL Lodestar female. She is a number giant- her weaning weight and yearling weight figures both rank in the top 10% of the breed and her marbling figure ranks in the top 25%. Genetics that are this valuable are difficult to part with, but even more difficult to acquire! Don't pass up this special opportunity made possible by Tubmill Creek Farms.

These embryos come from the progressive Tubmill Creek Farms program and we're honored to have them in this set. TMCK Fresca 607F ET is a donor in a league of her own. She is the daughter of the popular TMCK Cash Flow 247C A.I sire who makes raising great ones look easy, very few bulls reach the status that he currently holds. Her dam is the one and only DHIL Touch Me Gently 5798C ET whose influence could write a book, consisting of champions the highest level and high sellers that have commanded top dollar. What's more she is homozygous polled and homozygous black and carry a set of breed leading EPDS highlighted by her top 3% weaning weight, and top 2% yearling weight. The other half of this matting is our past res-ident herd sire CJSL Creed, he has proven time and time again to produce the right type and kind of cattle that out do their contemporary's constantly. This mating is one to get excited about and is proven as evidence by the full sibling, TMCK Hint, heifer that topped our 2020 heifer sale and is being campaigned by the Henessey family at this very junior national show. Get your bidder number ready and don't miss the chance to own genetics of this caliber
