Dear Friends,

You are cordially invited to attend our 19th annual private treaty sale September 25, 2021, held at the “Miller” farm. YES, we’ve had some major life changes this past year with Deb & George purchasing the “home” place and Ann & Roger retiring (haha!) to their new residence in Council Bluffs. Most everything has remained the same, except the kids are officially farming and realizing major debt, and Roger doesn’t have to calve cows & do chores except occasionally. And he can quit when he wants to most of the time. We are all excited about our “new digs” at 324 Buena Vista Circle, Council Bluffs, IA, 51503-1743.

The catalog, pictures, and videos are posted on our website www.vorthmannlimousin.com. Initial bids will be available one week prior to sale day and conclude Saturday September 25 at 2:00 p.m. when the bid-off will take place. The offering includes show heifers, replacement heifers, herd sire prospects, bred cows and steers – and they are outstanding! Our policy on the bulls remains the same, 25% down when sold and we’ll feed & care for them, collect yearling data, and semen check before you get possession for breeding season.

Please join us as we present some of the most sought after genetics in the breed. ENVISION has set the breed on fire and is ranked in the top 10% in many categories. Direct descendants and grand progeny sell. Please give us a call if you have any questions.

Sincerely,

Vorthmann Limousin & DEBV

- Pictures, videos, and catalog on our website: www.vorthmannlimousin.com.
- All calves have had a series of 2 vaccinations: PinkEye, Presponse HM (pasteurella multocida), Pyramid 5+ Presponse (BVD, Pi3, BVD, BRSV, Manheimia haemolytica and Pasturella multocida), Vision 7+ Somnus, and Inforce 3. They have been wormed with Dectomax injectable and poured at different times during the summer with CyLence and this fall with Ivermectin. Heifers are all calthood vaccinated. All cattle have proper ID tags.
- Health papers can be provided. All 2021 cattle are broke to tie.

Bidding Process

- All cattle will have a base price announced on September 19. ***Bids will be accepted at any time, but no cattle will be sold prior to 2:00 p.m., September 25.*** Please call or email for a base bid sheet. The first person to bid claims the animal at the base price. Bids will be posted on the board so everyone knows bids. **Bid increments on the open heifers & bulls will be \$250. Bid increments on the bred cows & steer calves will be \$100.** Silent bidding will close at 2:00 p.m., at which time the bid off starts. Bulls sell first, followed by open heifers, bred cows, and steers.
- Bid off process will begin with the animal that has the highest valuation. Only persons who have placed a bid on that animal are allowed to bid. When that lot is sold, the contending bidders have the opportunity to bid on another lot that has not yet sold. Cattle will be sold in order of the next highest value. Contending bidders can continue to move to a different lot as they are out bid, if they choose. Our sale is laid back. Roger is the auctioneer and he will give you time to bid if you are on the phone. If you are not at the sale and have placed a bid, please be available by phone at 2:00 p.m. for the bid off.
- **For bidding, please call any one of us**, or MC Marketing, Kiley McKinna 402-350-3447 or Dean Summerbell of the Heartland Limousin Assn. 612-963-3799.

- Bred cows are guaranteed bred by a certified technician as of the ultrasound date August 17, 2021.

Payment

- 2021 Bull buyers: On sale day, 25% of purchase price is due as your initial payment. This will hold your bull and we will grow, pour, vaccinate, and semen check prior to delivery May 1, 2022, with no extra cost to you. Balance is due at delivery / pickup.
- Total payment for heifers and steers is due on sale day.
- All registration papers are available, and will be transferred to the new owner in a timely manner. We would appreciate all heifers and steers to be picked up in a few days following the sale.
- NO CATTLE WILL LEAVE THE FARM PRIOR TO PAYMENT BEING RECEIVED.

Additional information

- We would like to have access to our genetics. Should a buyer decide to flush a female purchased in this sale, we would like the opportunity to purchase up to six (6) grade 1 embryos (not to exceed more than ½ of any flush) at cost. Ultimately, this decision is up to each buyer. Please visit with Roger or Deb to discuss.
- VORT 114J bull – selling ½ interest, visit with Roger.
