**[5% Discount to Anyone Buying Five Head or More]**

Dear Friends and Cattlemen,

Welcome to the 27th 'Genetics for the Future' Production Sale. This year's animals are on point — stout, big, structurally correct and docile. The bulls are the deepest, longest bodied, most consistent group of bulls we've ever produced. The bred heifers are straight from the replacement pen—big bodied, broody females that will be sure to make excellent cows. These animals will make a difference in your herd.

We know "the details" are important when it comes to your purchases and operation and we are here to assist you with what you are looking for. Reach out to any of us before sale day to go over specifics as to what you're looking to bring to your herd. We are more than happy to talk cattle.

We offer \$50 off all bulls taken home sale day and highly recommend anyone who does not take their animals home sale day to look into insuring them. With the bred heifers being close to calving we kindly ask you take them home sale day or make arrangements with us prior to or following the sale.

The sale will be broadcast live on DVauction.com. We look forward to seeing you sale day, Tuesday, March 15.

Thank you from all of us at Vaughn Farms Limousin,

David, Brittany, Wyatt, Remington & Hope  
Craig, Kelly, Weston & Maggie

This red, polled purebred herd sire prospect is sure to be a crowd favorite sale day. Visually, he is heavily-structured, level-topped, with extra muscle expression and free moving off both ends of his skeleton. He is a son of the popular Wulfs Amazing Bull T341A, who is sired by the well-known HUNT Mr Jock 44J and his dam is Wulfs Ultra Diamond 8571U. Wulfs Amazing Bull T341A was a sale highlight a few years back at the Wulf Cattle Opportunity Sale. He is known to transmit stand-out bulls and exceptional daughters. TOMV Jamestown 130J is out of a beautiful pattered DLVL Young Gun 125Y daughter. On paper, make note that TOMV Jamestown 130J ranks in the top 1% for milk, top 2% for calving ease maternal, top 2% for scrotal circumference, top 20% yield grade and top 25% ribeye area. Make no mistake and be sure to have him on the top of your list on March 15th.

Well-balanced is the term that best describes this young herd sire prospect. He is stout-featured, long-bodied, wide-based and is truly impressive when set into motion. Sired by TREF Engineer 807E, the TREF Commander 766C son that makes them expressively muscled. His dam is a Wulfs Ransom 3059R daughter. Besides his phenetical advantages on paper, he reads well for material and carcass traits. His calves will be a hot commodity. Don't miss this polled, red hided purebred.

Big-time growth bull, if you are searching for a herd sire prospect that will add pounds, look no farther than DLVL Jaws 150J. He recorded a 686 lb. 205-day weight that ratio'd a 101 and recorded a 1,257 lb. 365-day weight that ratio'd a 103. This explosive growth could be predicted due to his performance EPDs, his weaning weight and yearling weight both rank in the top 10% of the breed. Continue to read his EPDs and find top 4% ribeye area. His sire is TREF Engineer 807E, making him a half brother to lot 2. His dam is a COLE Architect 08A daughter. This combination of presence and numbers project him to be the type of herd bull that produces well-balanced, polled, stout calves year in and year out.

If you like performance-oriented, sound structured, big-bodied, double polled, double black cattle that have a combination of function and numbers, then study this amazing female. Phenotypically, TOMV Miss Draft 040H is massively made - she's full in her fore rib, loaded with rib shape, pronounced in her stifle muscle and heavily structured. She is sired by DLVL Draft 622D, who has a strong influence on this offering. On paper, she has a well-balanced set of EPDs. Don't miss her.

TOMV Miss Zeek 042H is a female with an endless future ahead of her. She has an incredible depth of body and doesn't miss when you set her in motion. JYF Zeek 151Z was our purchase from the J Yorga Farms sale a few years back. This bull makes standout mother cows and TOMV Miss Zeek 042H is no exception. Numerically, she comes with a great set of EPDs. No matter your plans, this is a female who should be on your shortlist sale day.
