Cowboy Kind wowed them in Denver in 2016 and this great LimFlex sire by Saga is now out on the open market. Very correct, and loaded with performance, Cowboy Kind has a yearling weight over 1500 and should sire the performance and growth that cowboy's demand. Maternal is off the charts and this young sire is starting leave his mark. Very square hipped and sound footed, we think this young sire should sire the Cowboy Kind. \$40

Wulfs Stimulus was one of the top bulls from Wulfs new Angus program and with good reason. Very sound, deep bodied, and loaded with capacity, Stimulus has the added body and flank that should work great in any LimFlex program. Sired by Connealy Stimulus he brings a fresh Angus pedigree to the LimFlex arena. If you need a little shot, try a shot of Stimulus. \$30.00

Frazier came on the scene by powering his way to the backdrop at the 2019 Indiana State Fair winning Reserve Supreme bull. This tremendous son of breed giant Aviator is good on the move and has impressive dimension, ideal frame and plants on a large foot and bone. Above all, he is extremely docile and his first calves are on the ground coming small with vigor and the look. All indicators tell us he should be great on first calf heifers.
